June Newsletter

Thank you all for your interest in reading these newsletters!!

As we part for the summer, I would *greatly* appreciate feedback on the newsletters. Don't be shy! Kind feedback is nice and constructive feedback helps improve and shape next years' offerings. Please take the short survey below (only takes 2 minutes to complete!).

Once again, this would not have been possible without the amazing work of Betsy Steinberg, BSN, RN, NCSN. *THANK YOU Bets* for allowing me to pass along your work!
