**Title:** SHIELD Clinical Update: The Next Flavors of Addiction: Vaping and Cannabis

**Date:** November 6, 2018

**Time:** 8:30am - 3:15pm

**Location:** DoubleTree by Hilton Hotel Leominster

**Registration Fee:** \$115

This interactive, one-day workshop will deepen your understanding of products, risks, trends, and approaches to address adolescent vaping and cannabis use.

## Workshop Topics Include:

- Historical perspective and policy
- Popular vape and cannabis products
- How to talk to students
- Assessment and referrals
- Strategies for prevention of substance use
- Successful school interventions

## Target Audience:

All school education professionals, in particular, School Nurses, Counselors, Teachers (especially wellness and physical education), Athletic Trainers, Athletic Directors, Coaching Staff, Administrators, and any others interested in knowing more about Vaping and Cannabis products.

## Featured Speakers:

- **Jennifer Flanagan**, Commissioner, Massachusetts Cannabis Control Commission
- **DJ Wilson**, Tobacco Control Director, Massachusetts Municipal Association
- **Dr. Lester Hartman**, Pediatrician, Westwood-Mansfield Pediatric Associates
- **Dr. Nicholas Chadi**, Pediatrician, Adolescent Substance Use Program, Boston Children's Hospital
- **Wanda Visnick**, Former School Nurse Leader and Psychiatric Nurse Practitioner Candidate

Continuing Nursing Education Provider Unit, Boston University School of Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**Contact Hours: 6.25**

*\* JUUL e-cigarettes were introduced in 2015. They are a type of e-cigarette that utilizes nicotine salts that exist in leaf-based tobacco for its key ingredient.*
