

Camtasia Quizzing

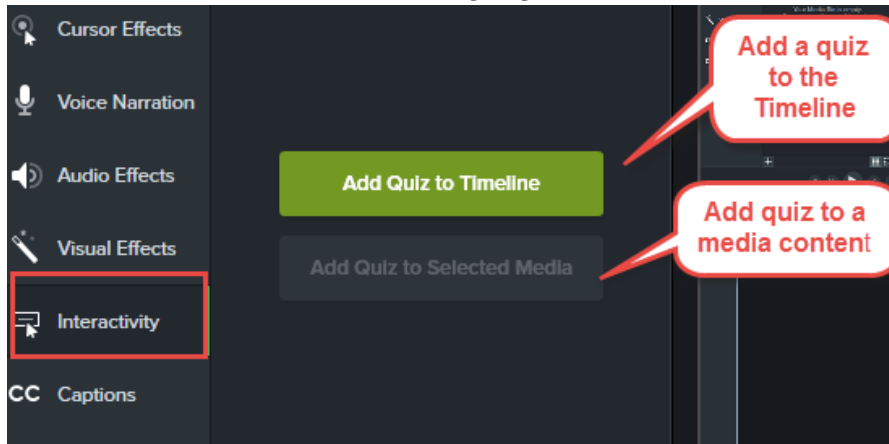

An inbuilt tool in Camtasia to gather feed back from the video viewers. You can create and/or export videos with embedded quizzes or surveys and gather results.

1. Add a Quiz
2. Produce & Share (Blackboard)
3. Quiz Results

1. Add a quiz
 - Tools Panel → Interactivity

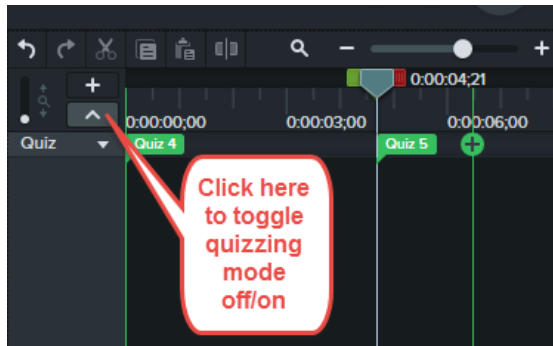

- Add Quiz to the Timeline: You can move quiz anywhere in the Timeline
- Add Quiz to the selected Media: Quiz is going to move with the media

- Quizzing Track: Once the Quizzing is enabled you can click on the Quizzing Track to quickly add more questions.

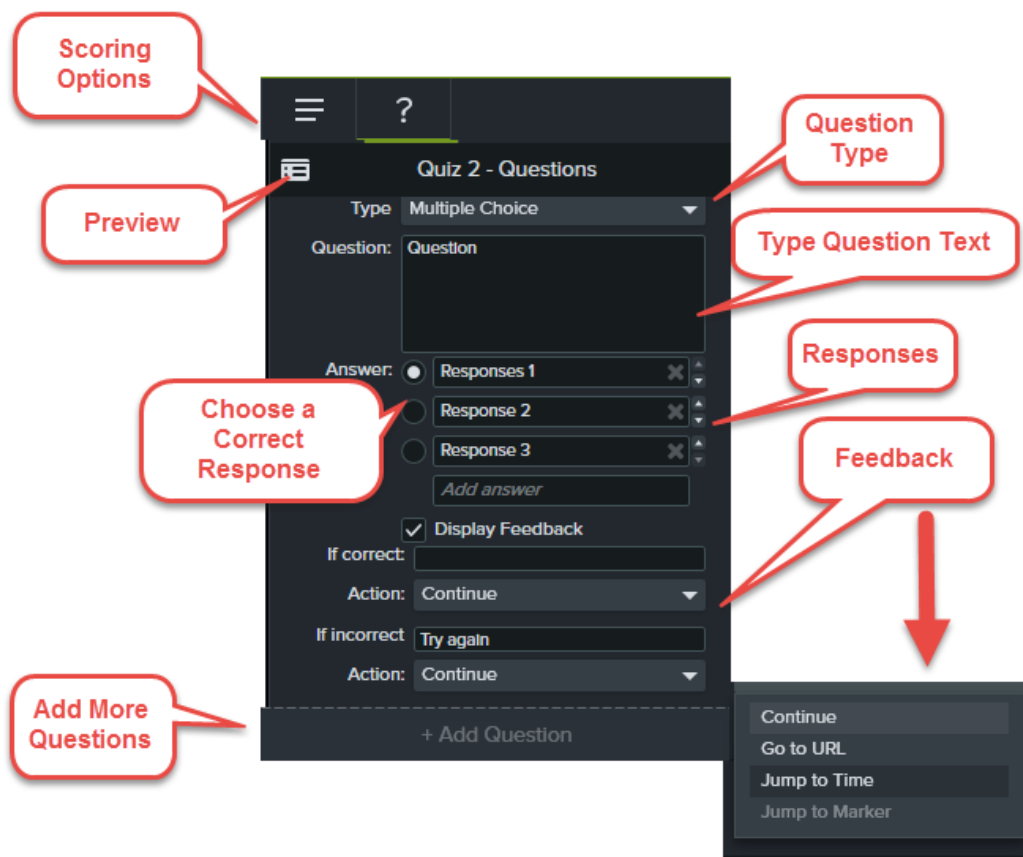

- Turn Quizzing Mode off/on

- Question Type – Choose from 4 different question options

- Create a question

Note: You can not preview the quiz in the project canvas

2. Produce and Share

- A. Click 

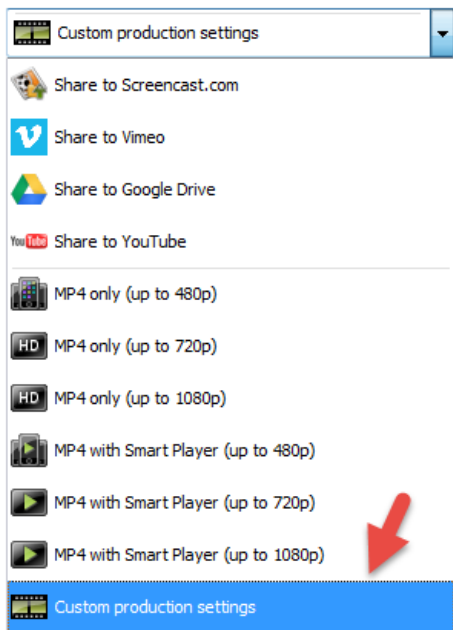

Note: The videos that are created in Camtasia with inbuilt quizzes/surveys can only be viewed in the TechSmith smart player.

How to use a TechSmith Smart Player
