

Research on Alcohol and HIV

2026 RSA Satellite Meeting

Sat. June 20, 2026
San Antonio, TX

Hosted by

National Institute on Alcohol
Abuse and Alcoholism

National Institutes of Health
Office of AIDS Research

VANDERBILT  UNIVERSITY
MEDICAL CENTER

Join us for the 5th annual Research on Alcohol and HIV satellite meeting. The objective of this meeting is to present updates on alcohol research among people living with HIV. These updates can come from existing or new studies including NIAAA-funded HIV and alcohol consortia. Research can include data from observational studies, pilot studies, randomized controlled trials, and dissemination & implementation science.
