Clinical Experience

2023-
Present **Practicum Clinician, Psychosis Division**
Harvard Medical School McLean Hospital, Belmont, MA
Supervisor: Julie McCarthy, Ph.D.
Appleton Residential Program
Developed group therapy protocols for Cognitive Behavioral Therapy (CBT), Mindfulness, and Compassion Focused Therapy for Psychosis (CFTp). Led group and individual therapy for adults and adolescents with schizophrenia and bipolar disorder.

Schizophrenia and Bipolar Disorder Inpatient Program
Developed and led weekly group therapy on CBT and Dialectical Behavioral Therapy (DBT) skills for adults and adolescents.

Community Reinforcement and Family Training (CRAFT)
Coached CRAFT skills, including functional analysis and communication techniques, for family members of individuals with comorbid early psychosis and substance use.

Support, Treatment, and Resilience Program (STAR) Outpatient
Provided co-therapy for clinical high risk for psychosis (CHR) adults and adolescents. Participated in weekly team meetings aimed at coordinating care.

2022-2023 **Practicum Clinician, Behavioral Health Partial Hospital Program**
Harvard Medical School McLean Hospital, Belmont, MA
Supervisor: Michaela Swee, Ph.D.
Administered intake assessments for adults in the partial hospital program. Led Acceptance and Commitment Therapy (ACT), DBT, and CBT skills group and individual therapy for people with severe mental illness. Developed a process group for coping with loss. Collaborated with a multidisciplinary team and presented cases in weekly didactics on evidence-based treatments.

2021-2022 **Practicum Clinician, Center for Anxiety and Related Disorders (CARD)**
Boston University, Boston, MA
Supervisors: Lisa Smith, Ph.D., Mark A. Richardson, Ph.D.
Provided individual CBT therapy and comprehensive assessment to adolescents and adults with anxiety, depression, trauma, and obsessive-compulsive related disorders. Led group therapy for people with social anxiety disorders. Collaborated with the clinical team on treatment plans, case conceptualization, and patient engagement. Administered and documented neuropsychological testing for Attention-Deficit/Hyperactivity Disorder (ADHD) and related disorders in adolescents and adults.

- 2020-
Present **Diagnostic Assessor, Massachusetts General Hospital Department of Psychiatry
Harvard Medical School, Boston, MA**
Supervisors: Jasmine Mote, Ph.D., Nicole R. DeTore, Ph.D.
Administered unstructured clinical interviews assessing DSM-V Axis I disorders (Structured Interview for Prodromal Syndromes; Scale of Prodromal Symptoms), symptoms severity (Brief Psychiatric Rating Scale; Clinical Assessment Interview for Negative Symptoms), levels of functioning (Quality of Life Scale; Global Assessment of Functioning), and cognition (Brief Assessment of Cognition in Schizophrenia, Faux Pas Task, ER-40) in adults with a schizophrenia spectrum disorder.
- 2018-2020 **Clinic Coordinator, EDAPT & SacEDAPT Early Psychosis
University of California, Davis, Sacramento, CA**
Supervisor: Dan Shapiro, Ph.D.
Led weekly case management meetings with multidisciplinary team to coordinate care for early psychosis youth. Facilitated bi-monthly Spanish and cultural consultations with the psychiatrist, clinician, peer advocate, and school/employment specialist. Administered vitals and assisted in 5150/hospitalization procedures. Handled clinic referrals, eligibility assessments, and participated as a liaison between clinic and pharmacy to ensure medication access. Served as point of contact for community outreach events including UC Davis Early Psychosis conference and Brunch and Learn psychosis education event. Trained staff on medical records management, referrals, eligibility assessment, and Sacramento County documentation.

Supervisory and Training Responsibilities

- 2023 **Peer Supervisor, Massachusetts General Hospital Department of Psychiatry
Harvard Medical School, Boston, MA**
Supervisors: Jasmine Mote, Ph.D., Nicole R. DeTore, Ph.D.
Supervised first- and second-year Ph.D. students on clinical assessments and diagnostic interviews of outpatient individuals with schizophrenia and other psychotic disorders. Led weekly group supervision to ensure clinical consensus on the completed assessments.
- 2021- 2023 **Research Assistant Advisor, Approach Motivation and Participation Lab
Boston University, Boston, MA**
Principal Investigator: Daniel Fulford, Ph.D.
Supervised and trained four research assistants on literature reviews, data analysis, research presentations, and professional development. Facilitated weekly journal club and individual supervision. Mentored two research assistants on study design and writing for a research funding application, both of whom received funding.
- 2017-2018 **Research Assistant Advisor, Social, Cognitive & Affective Neuroscience Lab
University of Arizona, Tucson, AZ**
Principal Investigator: William D. Killgore, Ph.D.
Developed the first enrichment program for undergraduate research assistants and served as an assistant course supervisor creating syllabi and course planning on literature search, professional development, and data analysis.
