EC492: Directed Study in Economics

DEGREE REQUIREMENT NOTES:

- A minimum of 128 credits is required for graduation (excluding PDP, ROTC, and CAS FY and SY courses.)
- Students must complete all BU Hub general education requirements
- Students are required to pursue study of a language other than English through the intermediate (fourth-semester) level or to demonstrate equivalent proficiency.
- All classes counting towards the Major in Economics must be completed with a grade of C or higher.
- Students must fulfill the calculus requirement for the major prior to enrolling in EC201 or EC303.
- Students with a strong background and skills in mathematics may substitute the sequence EC221/222/223/224 for the required sequence EC201/202/203/204 assuming all corresponding prerequisites are met.
- QST QM221 Probabilistic and Statistical Decision Making for Management, or MA115, or MA213 are acceptable substitutes for EC203.
- All 500-level and above economics courses are graduate-level courses. Special permission from the instructor is required for undergraduates wishing to take these courses.
- Students planning to take external transfer courses must get pre-approval by the Economics Department. Students must submit a Transfer Course Equivalency Form, found on the department's Undergraduate Student Resources website, along with a copy of the course syllabus.
