

**Amendment #61 to H4377****Maintaining available net metering capacity of Nantucket Electric**

Mr. Madden of Nantucket moves to amend the bill by adding the following new section:

SECTION XXXX: The market net metering credit rate shall take effect upon the fulfillment of a respective utilities territories' net metering cap, which is based upon historical peak loads according to St. 2010, c. 359, s. 25-20; St. 2012, c. 209, ss. 23-30; St. 2014, c. 251; St. 2016, c. 75.
