HOUSE DOCKET, NO. 3749 FILED ON: 1/25/2017
PETITION OF: State Governor: Charles D. Baker

We, citizens and employees within the Commonwealth, the undersigned, call on you to oppose this Article 87: An Act to reorganize the Department of Public Safety. *This bill is fiscally irresponsible and being justified by an initial cost savings of \$800k and lack of duplication.* This bill is flawed and if allowed would create additional spending and increases to staffing at (3) three agencies to achieve each agencies new mission. We, believe this Article 87 bypasses the legislative process affording only limited opportunity for public comment and we implore you to vote no on behalf of your and your legislative colleague's constituents.

*"An Act to Reorganize the Department of

HOUSE DOCKET, NO. 3749 FILED ON: 1/25/2017
PETITION OF: State Governor: Charles D. Baker

We, citizens and employees within the Commonwealth, the undersigned, call on you to oppose this Article 87: An Act to reorganize the Department of Public Safety. **This bill is fiscally irresponsible and being justified by an initial cost savings of \$800k and lack of duplication.** This bill is flawed and if allowed would create additional spending and increases to staffing at (3) three agencies to achieve each agencies new mission. We, believe this Article 87 bypasses the legislative process affording only limited opportunity for public comment and we implore you to vote no on behalf of your and your legislative colleague's constituents.

*"An Act to Reorganize the Department of

HOUSE DOCKET, NO. 3749 FILED ON: 1/25/2017
PETITION OF: State Governor: Charles D. Baker

We, citizens and employees within the Commonwealth, the undersigned, call on you to oppose this Article 87: An Act to reorganize the Department of Public Safety. This bill is fiscally irresponsible and being justified by an initial cost savings of \$800k and lack of duplication. This bill is flawed and if allowed would create additional spending and increases to staffing at (3) three agencies to achieve each agencies new mission. We, believe this Article 87 bypasses the legislative process affording only limited opportunity for public comment and we implore you to vote no on behalf of your and your legislative colleague's constituents.

HOUSE REORG BILL 68**
*"An Act to Reorganize the Department of
Public Safety."*

HOUSE DOCKET, NO. 3749 FILED ON: 1/25/2017
PETITION OF: State Governor: Charles D. Baker

We, citizens and employees within the Commonwealth, the undersigned, call on you to oppose this Article 87: An Act to reorganize the Department of Public Safety. *This bill is fiscally irresponsible and being justified by an initial cost savings of \$800k and lack of duplication.* This bill is flawed and if allowed would create additional spending and increases to staffing at (3) three agencies to achieve each agencies new mission. We, believe this Article 87 bypasses the legislative process affording only limited opportunity for public comment and we implore you to vote no on behalf of your and your legislative colleague's constituents.

*"An Act to Reorganize the Department of
Public Safety."*

HOUSE DOCKET, NO. 3749 FILED ON: 1/25/2017
PETITION OF: State Governor: Charles D. Baker

We, citizens and employees within the Commonwealth, the undersigned, call on you to oppose this Article 87: An Act to reorganize the Department of Public Safety. *This bill is fiscally irresponsible and being justified by an initial cost savings of \$800k and lack of duplication.* This bill is flawed and if allowed would create additional spending and increases to staffing at (3) three agencies to achieve each agencies new mission. We, believe this Article 87 bypasses the legislative process affording only limited opportunity for public comment and we implore you to vote no on behalf of your and your legislative colleague's constituents.
