JOURNAL OF THE HOUSE.

Thursday, July 13, 2017.

Met according to adjournment at eleven o'clock A.M., in an Informal Session.

Prayer was offered by Father Rick Walsh of the Paulist Center of Boston, Chaplain of the House, as follows:

God of Steadfast love, we thank You for the many blessings You have given to us here in the Commonwealth of Massachusetts. As residents, we are grateful for our abundance of history and courageous acts which inspire us. We ask Your blessing upon the leadership of this House of Representatives and for the membership and their staff.

Prayer.

Today July 13th, marks the 288th anniversary of the birth of John Parker. He was born in Lexington and was the town's leader of the volunteer militia known as the Minutemen. Getting word of an advancement of a company of Regulars, an ill Captain Parker had 70 men assembled to face them as they approached. His famous words, "Stand your ground – don't fire unless fired upon – But if they mean to have a war, let it begin here," are engraved in the memorial on the Lexington Green. Eight colonists were killed and another ten were wounded. John Parker died from complications associated with what was then called consumption, now called tuberculosis, a few months after the battle. The musket he had with him in Lexington hangs in the Massachusetts Senate Chamber.

We are thankful for his and other colonists' spirit of courage.

May God continue to bless our Commonwealth.

At the request of the Speaker, the members, guests and employees joined with him in reciting the pledge of allegiance to the flag.
