An Act to enhance, update and protect the 2013 Motor Vehicle Right to Repair Law and Consumer Rights.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 1 of chapter 93K of the General Laws is hereby amended by  
2     inserting after the definition of "Manufacturer" the following definition:- "Mechanical Vehicle  
3     Data", any telematics data in a vehicle related to the diagnosis, repair or maintenance of that  
4     vehicle.

5           Section 1 of said chapter 93K is hereby further amended by inserting after the definition  
6     of "Owner" the following definition:- "Telematic System", any system in a vehicle that collects  
7     and stores information generated by the operation of the vehicle utilizing wireless  
8     communications to transfer that information electronically. Such systems include, but are not  
9     limited to, motor vehicle remote diagnostics, automatic airbag deployment and crash notification,  
10    navigation, stolen vehicle location, remote door unlock, transmitting emergency and vehicle

11 location information to public safety answering points and any other service integrating vehicle  
12 location technology and wireless communications.

13 SECTION 2. Section 2(d)(1) of said chapter 93K is hereby amended by inserting at the  
14 end thereof the following:-

15 Access for vehicle owners and independent repair facilities to vehicle on-board  
16 diagnostic systems shall be standardized and not require the use of any authorization, directly or  
17 indirectly, by the manufacturer unless that authorization system for access to vehicle networks  
18 and their on-board diagnostic systems is standardized across all makes and models sold in the  
19 Commonwealth and is administered by an entity unaffiliated with a manufacturer.

20 SECTION 3. Said chapter 93K is hereby further amended by striking section 2(f) and  
21 inserting in place thereof the following:-

22 (f) Commencing in model year 2022 and thereafter a manufacturer of motor vehicles sold  
23 in the Commonwealth that utilizes a telematics system shall be required to equip such vehicles  
24 with an inter-operable, standardized and open access platform across all makes and models that  
25 is capable of securely communicating all telematics vehicle data in a standardized format via  
26 direct data connection to the platform. The platform shall be directly accessible by the owner or  
27 lessee of the vehicle through a mobile-based application and upon the authorization of the  
28 vehicle owner or lessee, all mechanical data shall be directly accessible by an independent motor  
29 vehicle repair facility or a class 1 dealer licensed pursuant to Section 58 of Chapter 140 limited  
30 to the time to complete the repair or for a period of time agreed to by the vehicle owner or lessee  
31 for the purposes of maintaining, diagnosing and repairing the motor vehicle. Access also shall  
32 include the ability to send commands to in-vehicle components if needed for purposes of

33 maintenance, diagnostics and repair. All data collected by the telematic system is exclusively  
34 owned by the motor vehicle owner.

35 SECTION 4. Said section 2 of chapter 93K is hereby further amended by adding after  
36 clause (f) the following clause:

37 (g) The Attorney General is hereby directed to establish a consumer motor vehicle  
38 telematic system notice that includes, but is not limited to, (i) explaining what is motor vehicle  
39 telematics, (ii) the data collected and stored by the telematic system, (iii) the capability of the  
40 consumer to access the vehicle's telematic data through a mobile device and (iv) that an  
41 independent repairer with the permission of the consumer, can access the telematic mechanical  
42 repair information for vehicle repair purposes. The notice shall contain a consumer signature  
43 section specifying that the consumer has read the telematic consumer system notice form and a  
44 section that provides the consumer the capability to assent or prohibit all telematic system data  
45 generated by the telematic system being transmitted from the consumer's vehicle to the vehicle  
46 manufacturer. The consumer notice shall also inform the consumer that they may amend their  
47 signed consumer telematic system notice by visiting any new car dealership that sells the  
48 consumer's vehicle brand or using an online mobile application.

49 SECTION 5. Said section 2 of chapter 93K is hereby further amended by adding after  
50 clause (g) the following clause:- (h) A class 1 or class 2 dealer licensed pursuant to Chapter 140  
51 Section 58 of the General Laws shall when selling a vehicle containing a telematic system  
52 provide the consumer the motor vehicle telematics system notice to be read and signed by the  
53 consumer and provide a copy of the signed notice to the consumer.

54           SECTION 6. Section 6(a) of chapter 93K is hereby amended by adding at the end the  
55 following:- A manufacturer's failure to comply with the requirements of this act shall prohibit a  
56 manufacturer from selling new motor vehicles in the Commonwealth until such time as the  
57 Attorney General is satisfied that the manufacturer has cured all problems and is in full  
58 compliance with this act.
