The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

SECTION 1. To provide for the operations of the several departments, boards, commissions and institutions of the commonwealth and other services of the commonwealth and for certain permanent improvements and to meet certain requirements of law, the sums set forth in this act, for the several purposes and subject to the conditions specified, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to the laws regulating the disbursement of public funds and the approval thereof for the fiscal year ending June 30, 2021. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and persons with a disability. All officials and employees of an agency, board, department, commission or division receiving funds under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government and in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission and division of the commonwealth, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all other terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section, by source, for the respective funds of the commonwealth for the fiscal year ending June 30, 2021 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for fiscal year 2021 as set forth and authorized in this act. The comptroller shall keep a distinct

account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing those receipts with the projected receipts set forth in this section and shall include a full statement comparing the actual and projected receipts in the annual report for fiscal year 2021 pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2021 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,128,617,436 and shall be apportioned to cities and towns in accordance with this section.

Notwithstanding any general or special law to the contrary, on or after December 15, 2020, the secretary of administration and finance may substitute federal funds held in the Massachusetts Coronavirus Relief Fund, established by section 98 of chapter 124 of the acts of 2020, for funds distributed to cities and towns as unrestricted general government aid pursuant to this section, and reduce spending from the General Fund authorized in item 1233-2350 of section 2 of this act accordingly. The substitution of federal funds shall be done to maximize the appropriate use of funds held in the Massachusetts Coronavirus Relief Fund prior to December 30, 2020 and in a manner that prioritizes the timely expenditure of funds appropriated in section 2A of chapter 124 of the acts of 2020. The secretary of administration and finance may require municipalities to cooperate for the purpose of federal compliance.

Notwithstanding section 2 of chapter 70 of the General Laws, as amended by Chapter 132 of the Acts of 2019, or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2021 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts distributed from said item 7061-0008 of said section 2 shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2021, the foundation budget category of "low income enrollment" for the purpose of calculating foundation enrollment shall be the number of students identified as economically disadvantaged by qualifying as a match in the commonwealth's direct certification system, as maintained in the executive office of health and human services virtual gateway system: supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), Medicaid (MassHealth) and foster care. Notwithstanding the provisions of section 3 of chapter 70 of the General Laws, as so amended, foundation budget rates shall be those set in chapter 41 of the acts of 2019, inflated by the "foundation inflation index" as calculated and applied for the fiscal year 2020 foundation budget. The target local share shall be calculated using the same methodology used in fiscal year 2020. Preliminary local contribution shall be the municipality's fiscal year 2020 minimum required local contribution, increased or decreased by the municipal revenue growth factor used in the Governor's House 2 budget submission for fiscal year 2021; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; provided further, if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points; provided further, that if a municipality's combined effort yield is greater than 175% of its foundation budget, then the minimum required local contribution for fiscal year 2021 shall be the target contribution for that municipality in fiscal year 2021. Minimum required local contribution for fiscal year 2021 shall be, for any municipality with a fiscal year 2021 preliminary contribution greater than its fiscal year 2021 target contribution, the preliminary local contribution reduced by 100 per cent of the gap between the preliminary local contribution and the target local contribution. No minimum required local contribution shall be greater than 90 per cent of the district's foundation budget amount. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal year 2021, the "foundation aid increment" shall be the difference between: (i) the positive difference between a district's foundation budget

and its required district contribution; and (ii) prior year aid. There shall be no "minimum aid increment" in fiscal year 2021.

Chapter 70 aid for fiscal year 2021 shall be the sum of prior year aid plus the foundation aid increment if any. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district, or agricultural school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

541 (4) If properly reported and paid, the amount determined under this subsection with respect
542 to an audited partnership shall be treated as paid on behalf of the partners of the partnership.
543 Such partners shall not take any deduction or credit for this amount or based on this amount or
544 claim a refund of this amount. Nothing in this section shall preclude a resident partner from
545 claiming a credit against taxes paid to another jurisdiction under subsection (a) of section 6 of
546 said chapter 62 for any amount paid by the partnership on the resident partner's behalf to another

555 such election, and to pay an amount on behalf of such tiered partnerships' partners, consistent
556 with said subsection (e).

557 (g) An audited partnership and a partner of an audited partnership that makes an election
558 pursuant to subsection (e) shall be a taxpayer for purposes of chapters 62, 62C and 63, as

565 taxes they owe under chapter 62 or chapter 63, including interest and penalties, according to the
566 commissioner's best information and belief.

567 (j) Nothing in this section shall limit the ability of the commissioner to audit or assess
568 direct partners, indirect partners or tiered partnerships with respect to items derived from an
569 audited partnership or the ability of the commissioner to inspect the books and records of an
570 audited partnership.

571 (k) For purposes of this section, a partnership representative shall have the sole authority to
572 act on behalf of the audited partnership and its direct and indirect partners with respect to actions
573 taken by the audited partnership under this section. The audited partnership's direct and indirect
574 partners shall be bound by the partnership representative's actions. The partnership

682 Section 12L. The commonwealth, or a subdivision thereof, shall not interfere with a
683 person’s personal decision and ability to prevent, commence, terminate or continue their own
684 pregnancy consistent with this chapter, or restrict the use of medically appropriate methods of
685 abortion or the manner in which medically appropriate abortion is provided.

686 Section 12M. A physician, physician assistant, nurse practitioner or nurse midwife may
687 perform an abortion consistent with the scope of their practice and license if, in their best
688 medical judgment, the pregnancy has existed for less than 24 weeks.

689 Section 12N. If a pregnancy has existed for 24 weeks or more, no abortion may be
690 performed except by a physician and only if it is necessary, in the best medical judgment of the
691 physician, to preserve the life of the patient, if it is necessary, in the best medical judgment of the
692 physician, to preserve the patient’s physical or mental health or, in the best medical judgment of
693 the physician, an abortion is warranted because of a lethal fetal anomaly or the fetus is
694 incompatible with sustained life outside the uterus.

695 Section 12O. If an abortion is performed pursuant to section 12N, the facility where the
696 abortion is performed shall maintain life-supporting equipment, as defined by the department of
697 public health, to enable the physician performing the abortion to take appropriate steps, in

699 life and health of a live birth and the patient.

700 Section 12P. Except in an emergency requiring immediate action, an abortion shall not be

720 requiring immediate action; provided, however, that this requirement shall not impose any
721 waiting period between the signing of the consent form and the patient obtaining the abortion.
722 The patient shall then return it to the physician, physician assistant, nurse practitioner or nurse
723 midwife performing the abortion who shall maintain it in their files and who shall destroy it 7
724 years after the date upon which the abortion is performed.

725 The consent form and any other forms, transcript of evidence or written findings or

727 by the patient’s written informed consent or by a proper judicial order, other than to the patient
728 themselves, to whom such documents relate, the physician, physician assistant, nurse practitioner
729 or nurse midwife who performed the abortion or any person whose consent is obtained pursuant
730 to this section or under any other applicable state or federal law. If a patient is less than 16 years
731 of age and has not married, an abortion shall not be performed unless the physician, physician

733 of 1 of the patient’s parents or guardians, except as hereinafter provided. In deciding whether to
734 grant such consent, a patient’s parent or guardian shall consider only the patient’s best interests.
735 If a patient less than 16 years of age has not married and if the patient is unable to obtain the
736 consent of 1 of their parents or 1 of their guardians to the performance of an abortion, or if they
737 elect not to seek the consent of a parent or a guardian, or in the case of incest, a judge of the
738 superior court department of the trial court of the commonwealth shall, upon petition or motion,
739 and after an appropriate hearing held in person or via teleconference at the patient’s option,
740 authorize a physician, physician assistant, nurse practitioner or nurse midwife to perform the
741 abortion if the judge determines that the patient is mature and capable of giving informed
742 consent to the procedure or, if the judge determines that the patient is not mature, that
743 performance of an abortion would be in the patient’s best interests. A patient less than 16 years
744 of age may participate in proceedings in the superior court department of the trial court on their
745 own behalf and the court may appoint a guardian ad litem for the patient. The court shall,

747 patient’s request, provide the patient with such appointed counsel. Proceedings in the superior
748 court department of the trial court under this section shall be confidential and shall be given such
749 precedence over other pending matters that the court may reach a decision promptly and without
750 delay so as to serve the best interests of the patient. The chief justice of the superior court
751 department of the trial court shall establish procedures for conducting proceedings under this
752 section promptly and without delay including, but not limited to, procedures to accommodate the

754 who conducts proceedings under this section shall make in writing specific factual findings and
755 legal conclusions supporting their decision and shall order a record of the evidence to be

756 maintained including the findings and conclusions. Exclusive jurisdiction over appeals of a
757 denial by the superior court of authorization for a patient to obtain an abortion is hereby
758 conferred on the supreme judicial court or a single justice thereof. Notwithstanding section 12F,
759 a patient may provide consent and consent shall be granted under subparagraphs (ii) to (vi),

1009 company must be registered to do business in this state.

1010 (3) An agreement under this section must not require the covered establishment to
1011 indemnify the third-party delivery service company, an independent contractor acting on behalf
1012 of the third-party delivery service company, or a registered agent of the third-party delivery
1013 service company for damages or harm that may occur after a product leaves the said
1014 establishment's place of business. A provision of an agreement that is contrary to this section is
1015 void and unenforceable.

1016 SECTION 71. (a) For any annual or special municipal or state primary or election held on
1017 or before June 30, 2021, any person taking precautions related to COVID-19 in response to a
1018 declared state of emergency or guidance from a medical professional, local or state health
1019 official or any civil authority shall be deemed to be unable to cast their vote in person at a polling
1020 location by reason of physical disability.

1021 (b) Notwithstanding any general or special law to the contrary, subsection (c) of section
1022 91B of chapter 54 of the General Laws shall apply to voters who have been instructed by a
1023 medical professional or a local or state health official to self-quarantine in their home beginning
1024 after noon on the seventh day before any annual or special municipal or state primary or election
1025 held on or before June 30, 2021 and such voters may designate their home address for delivery of
1026 the ballot.

1027 (c) Notwithstanding section 25B of said chapter 54 or any other general or special law to
1028 the contrary, any eligible voter may vote early by mail or as prescribed herein for any annual or
1029 special municipal or state primary or election held on or before June 30, 2021.

1030 (d) Any qualified voter wanting to early vote by mail may file with their local election
1031 official an application for an early voting ballot. Any form of written communication evidencing
1032 a desire to have an early voting ballot be sent for use for voting at an election shall be given the
1033 same effect as an application made in the form prescribed by the state secretary. Local election
1034 officials shall send early voting by mail ballots to those who have applied as soon as ballots are
1035 available. No application shall be deemed to be seasonably filed unless it is received in the office
1036 of the local election official before 5 p.m. on the fourth business day before the date on which the
1037 election is held.

1038 (e) Local election officials may substitute absentee ballots for early voting ballots for
1039 those voters requesting to vote early by mail in municipal elections. An early voting ballot or
1040 absentee ballot substituted for an early voting ballot, along with an envelope bearing an affidavit
1041 as set forth in said section 25B of said chapter 54, shall be provided to each qualified voter who
1042 participates in early voting by mail.

1043 (f) The local election officials shall cause to be placed on the voting lists opposite the
1044 name of a qualified voter who participates in early voting the letters “EV” designating an early
1045 voter.

1046 (g) The counting of early voting ballots shall be consistent with said section 25B of said
1047 chapter 54 and related regulations to the extent practicable. All envelopes referred to in this
1048 section shall be retained with the ballots cast at the election and shall be preserved and destroyed
1049 in the manner provided by law for the retention, preservation or destruction of official ballots.

1050 (h)(1) A voter in receipt of an early voting ballot for any election pursuant to this section
1051 may complete and return the ballot by: (i) delivering it in person to the office of the appropriate
1052 city or town clerk; (ii) dropping it in a secured municipal drop box; or (iii) mailing it to the
1053 appropriate city or town clerk.

1054 (2) All early voting ballots submitted by mail, delivered in person to the office of the city
1055 or town clerk or returned to a secured municipal drop box as provided by this section shall be
1056 received by the city or town clerk before the hour fixed for closing the polls on the day of the
1057 election.

1058 (i) Notwithstanding section 24 of said chapter 54 or any other general or special law to
1059 the contrary, the select board, board of selectmen, town council or city council may, by recorded
1060 and public vote, change any polling place to be used at the election not less than 20 days prior to
1061 the date of the election if it is determined that the public convenience or public health would be
1062 better served. If the select board, board of selectmen or town council determines that the public
1063 convenience or public health would be better served, they may house all polling places in a
1064 single building within the municipality if such building is suitably equipped; provided, however,
1065 that alcoholic beverages shall not be served or consumed in that portion of a building used as a

1066 polling place, during voting hours or while ballots are being counted therein. In cities, the city
1067 council may designate polling places in non-adjacent precincts if they determine the public
1068 convenience or public health would be better served. In making a decision to change a polling
1069 place, the select board, board of selectmen, town council or city council shall evaluate and report
1070 on whether such change would have a disparate, adverse impact on access to the polls on the
1071 basis of race, national origin, disability, income or age and, not later than 3 days prior to
1072 changing a polling place, shall make publicly available on its website and at the office of the
1073 town or city clerk a report on its evaluation. When the polling places have been designated
1074 pursuant to this section, the board of registrars shall post on the municipal website and at other
1075 such places as it may determine, a description of the polling places and shall notify voters by
1076 using an electronic means, to the extent available, such as via email or reverse 911 call.

1077 (j) Notwithstanding section 29 of chapter 53 of the General Laws, sections 11, 11B, 12
1078 and 13 of said chapter 54 or any other general or special law to the contrary, if the city or town
1079 clerk determines in writing that there is a deficiency in the number of required election officers,
1080 then the appointing authority may appoint election officers without regard to political party
1081 membership, voter status, residence in the city or town or inclusion on a list filed by a political
1082 party committee pursuant to said sections 11B and 12 of said chapter 54. If the position of the
1083 warden, clerk or inspector or the deputy of any such officer, if any, is vacant within the 3 weeks
1084 preceding the election, the city or town clerk may fill the vacancy by appointing a competent
1085 person willing to serve, without regard to political party membership, voter status, residence in
1086 the city or town or inclusion on a list filed by a political party committee pursuant to said
1087 sections 11B and 12 of said chapter 54.

1088 (k) Notwithstanding sections 67 and 83 of said chapter 54 or any other general or special
1089 law to the contrary, the city or town clerk may eliminate the requirement that a voter provide
1090 their name or residence to an election officer at the ballot box and that the election officer mark
1091 the name off a voting list before the voter may deposit the ballot in the ballot box.

1092 SECTION 72. (a) There shall be a commission to conduct a review and analysis of current
1093 efforts to address disruptions to businesses in downtowns and commercial districts caused by the
1094 outbreak of the 2019 novel coronavirus, also known as COVID-19, and the effects of the
1095 governor's March 10, 2020 declaration of a state of emergency. The commission shall consist of:

1096 1 representative from the Massachusetts cultural council; 1 representative from the
1097 Massachusetts historical commission; 1 representative from the community economic
1098 development assistance corporation; 1 representative from Boston Main Streets Foundation; the
1099 executive director each of the following regional planning agencies, or their designees, Berkshire
1100 Regional Planning Commission, Boston Region Metropolitan Planning Organization, Cape Cod
1101 Commission, Central Massachusetts Regional Planning Commission, Franklin Regional Council
1102 of Governments, Martha's Vineyard Commission, Merrimack Valley Planning Commission,
1103 Metropolitan Area Planning Council, Montachusett Regional Planning Commission, Nantucket
1104 Planning and Economic Development Commission, Northern Middlesex Council of
1105 Governments, Old Colony Planning Council, Pioneer Valley Planning Commission and
1106 Southeastern Regional Planning and Economic Development District; and 5 persons appointed
1107 by the governor, representing diverse geographic regions of the commonwealth who shall have
1108 demonstrated interests and experience in advancing the cultural, historical or economic vitality
1109 of downtowns and commercial districts of the commonwealth's municipalities.

1110 (b) The review and analysis shall include an assessment of the feasibility and advisability
1111 of establishing an office of Massachusetts main streets to: (i) protect, coordinate, promote and
1112 revitalize downtowns and commercial districts; (ii) advance economic and community
1113 development within the context of historic preservation; (iii) advocate for public-private
1114 partnerships to ensure continuing progress and enduring success by providing strategic,
1115 organizational, informational, marketing and technical assistance and resources to cities and
1116 towns and to public and private entities organized for similar purposes or committed to similar
1117 mission outcomes; and (iv) encourage diversity and promote equity based on race, color,
1118 religious creed, national origin, sex, gender identity, sexual orientation, genetic information,
1119 ancestry, disability and language.

1120 (c) The commission shall file a report of its findings and recommendations with the clerks of the
1121 senate and house of representatives, the joint committee on community development and small
1122 businesses, the joint committee on economic development and emerging technologies and the
1123 senate and house committees on ways and means not later than July 1, 2021.

1124 SECTION 73. In order to address disruptions caused by the COVID-19 pandemic and the
1125 effects of the governor's March 10, 2020 declaration of a state of emergency, the governor shall

1126 issue a proclamation setting apart the first Saturday and Sunday following Thanksgiving Day in
1127 calendar year 2021 as Small Business Saturday and Sunday in recognition and to promote
1128 awareness of the vital role that local businesses play in the economy and general welfare of the
1129 commonwealth.

1130 SECTION 74. In fiscal year 2021, the Massachusetts Bay Transportation Authority shall,
1131 to the extent feasible, as part of the Forging Ahead service planning process, utilize any increase
1132 in revenue collections that results from the changes under sections 18 and 19 to prevent the
1133 elimination of transit services, closure of commuter rail stations and ensure the continued
1134 progress of capital projects of which substantial progress has been made. Not less than 90 days
1135 before any commuter rail or transit station closure, ferry closure or bus route elimination, the
1136 authority shall hold at least 1 public hearing in the community where the station or route is
1137 located. Nothing in this section shall prohibit the Massachusetts Bay Transportation Authority
1138 from making reasonable service reductions to frequency or schedules; provided, however, that no
1139 such change shall unduly harm public transit riders or the communities served by the
1140 Massachusetts Bay Transportation Authority. If, after the effective date of this act, the authority
1141 receives additional federal funding in response to the COVID-19 emergency, the authority shall
1142 make reasonable efforts, consistent with any federal or state requirements, to prioritize the use of
1143 such funding for the restoration of any capital projects scaled back and any service eliminations
1144 or reductions that unduly impact ridership as a result of the Forging Ahead service planning
1145 process. The authority shall submit to the clerks of the senate and house of representatives, the
1146 senate and house committees on ways and means and the joint committee on transportation a
1147 report detailing any proposed service reduction, route elimination, commuter rail station closure
1148 or capital project delay not less than 30 days before any such reduction, elimination, closure or
1149 delay is scheduled to begin.

1150 SECTION 75. Notwithstanding any general or special law to the contrary, the amounts
1151 transferred pursuant to subdivision (1) of section 22C of chapter 32 of the General Laws shall be
1152 made available for the Commonwealth's Pension Liability Fund established in section 22 of said
1153 chapter 32. The amounts transferred pursuant to said subdivision (1) of said section 22C of said
1154 chapter 32 shall meet the commonwealth's obligations pursuant to said section 22C of said
1155 chapter 32, including retirement benefits payable by the state employees' retirement system and
1156 the state teachers' retirement system, for the costs associated with a 3 per cent cost-of-living

1157 adjustment pursuant to section 102 of said chapter 32, for the reimbursement of local retirement
1158 systems for previously authorized cost-of-living adjustments pursuant to said section 102 of said
1159 chapter 32 and for the costs of increased survivor benefits pursuant to chapter 389 of the acts of
1160 1984. The state board of retirement and each city, town, county and district shall verify these
1161 costs, subject to rules that shall be adopted by the state treasurer. The state treasurer may make
1162 payments upon a transfer of funds to reimburse certain cities and towns for pensions of retired
1163 teachers, including any other obligation that the commonwealth has assumed on behalf of a
1164 retirement system other than the state employees' retirement system or state teachers' retirement
1165 system, including the commonwealth's share of the amounts to be transferred pursuant to section
1166 22B of said chapter 32. The payments under this section shall be made only pursuant to
1167 distribution of money from the Commonwealth's Pension Liability Fund and any distribution,
1168 and the payments for which distributions are required, shall be detailed in a written report filed
1169 quarterly by the secretary of administration and finance with the senate and house committees on
1170 ways and means and the joint committee on public service in advance of the distribution.
1171 Distributions shall not be made in advance of the date on which a payment is actually to be
1172 made. If the amount transferred pursuant to said subdivision (1) of said section 22C of said
1173 chapter 32 exceeds the amount necessary to adequately fund the annual pension obligations, the
1174 excess amount shall be credited to the Pension Reserves Investment Trust Fund established in
1175 subdivision (8) of said section 22 of said chapter 32 to reduce the unfunded pension liability of
1176 the commonwealth.

1177 SECTION 76. Notwithstanding any general or special law to the contrary, the unexpended
1178 balances in items 0699-0015 and 0699-9100 of section 2 shall be deposited into the State Retiree
1179 Benefits Trust Fund established in section 24 of chapter 32A of the General Laws before the
1180 certification of the fiscal year 2021 consolidated net surplus under section 5C of chapter 29 of the
1181 General Laws. The amount deposited shall be an amount equal to 10 per cent of all payments
1182 received by the commonwealth in fiscal year 2021 under the master settlement agreement in
1183 Commonwealth of Massachusetts v. Philip Morris, Inc. et al., Middlesex Superior Court, No. 95-
1184 7378; provided, however, that if in fiscal year 2021 the unexpended balances of said items 0699-
1185 0015 and 0699-9100 of said section 2 are less than 10 per cent of all payments received by the
1186 commonwealth in fiscal year 2021 under the master settlement agreement payments, an amount

1187 equal to the difference shall be transferred to the State Retiree Benefits Trust Fund from payments
1188 received by the commonwealth under the master settlement agreement.

1189 SECTION 77. Notwithstanding any general or special law to the contrary, the bureau of
1190 purchased services in the operational services division shall determine prices for programs under
1191 chapter 71B of the General Laws in fiscal year 2021 by increasing the final fiscal year 2020 price
1192 by the rate of inflation as determined by the division. The division shall adjust prices for
1193 extraordinary relief pursuant to subsection (4) of 808 CMR 1.06. The division shall accept
1194 applications for program reconstruction and special circumstances in fiscal year 2021. The
1195 division shall authorize the annual price for out-of-state purchasers requested by a program, not
1196 to exceed a maximum price determined by the bureau, by identifying the most recent price
1197 calculated for the program and applying the estimated rate of inflation for each year, as
1198 determined by the bureau under section 22N of chapter 7 of the General Laws, in which the rate
1199 of inflation is frozen beginning with fiscal year 2004, in a compounded manner for each fiscal
1200 year.

1201 SECTION 78. Notwithstanding any special or general law to the contrary, for fiscal year
1202 2021, \$90,500,000 of the amount transferred in item 1595-6370 of section 2E shall be considered
1203 operating assistance and distributed to regional transit authorities based on fiscal year 2020
1204 distributions, in accordance with the fiscal year 2020 bilateral memorandum of understanding
1205 between each regional transit authority and the Massachusetts Department of Transportation;
1206 provided, however, that each regional transit authority shall receive operating assistance from
1207 this item of not less than the amount received in fiscal year 2020. The operating assistance
1208 amount shall be spent to advance the goals and targets in the FY20 Bilateral Memorandum of
1209 Understanding between each regional transit authority and the department.

1210 Of the amount to be distributed under item 1595-6370 of section 2E, \$3,500,000 shall be
1211 distributed as performance grants to regional transit authorities. The performance grants shall be
1212 distributed to regional transit authorities that best demonstrate compliance with, or a
1213 commitment to, the service decisions, quality of service and environmental sustainability
1214 recommendations from the report of the task force on regional transit authority performance and
1215 funding established pursuant to section 72 of chapter 154 of the acts of 2018. The department
1216 may require each regional transit authority to provide data on ridership, customer service and

1217 satisfaction, asset management and financial performance, including farebox recovery, and shall
1218 compile any collected data into a report on the performance of regional transit authorities and
1219 each authority's progress toward meeting the performance metrics established in the
1220 memorandum of understanding. The report shall be filed with the clerks of the senate and house
1221 of representatives, the senate and house committees on ways and means and the joint committee
1222 on transportation not later than July 31, 2021

1223 SECTION 79. Notwithstanding subparagraph (13) of paragraph (a) of Part B of section 3
1224 of chapter 62 of the General Laws, a deduction under said subparagraph (13) of said paragraph
1225 (a) of said Part B of said section 3 of said chapter 62 shall not be allowed for the taxable year
1226 beginning January 1, 2021.

1227 SECTION 80. (a) The executive office of administration and finance, in consultation with
1228 the office of the comptroller, shall develop and operate a publicly accessible and searchable
1229 website to provide reporting on expenditures made by the commonwealth from funds received
1230 through the Coronavirus Preparedness and Response Supplemental Appropriations Act, Public
1231 Law 116-123, the Families First Coronavirus Response Act, Public Law 116-127, the
1232 Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, Public Law 116-147
1233 and any additional federal funds committed to the commonwealth to provide financial assistance
1234 in response to the novel coronavirus and aid in ongoing public health, community and economic
1235 recovery efforts, including, but not limited to, funds appropriated to the federal coronavirus relief
1236 trust fund under section 2JJJJ of chapter 29 of the General Laws.

1237 The website shall be updated weekly and shall: (i) allow users to search electronically by
1238 field in a single search: (A) aggregated data by federal program; (B) category of spending; and
1239 (C) recipient; (ii) allow users to download information yielded by a search; and (iii) where
1240 possible, contain graphical representations of the data and a hyperlink to the actual grants issued.

1241 (b) The website shall provide a breakdown of: (i) all federal grants and direct funds
1242 committed to the commonwealth, an independent agency, a quasi-independent agency, including,
1243 but not limited to, a regional transit authority, a county or a municipality; (ii) amounts of federal
1244 grants and direct funds committed to the commonwealth, by federal program and administering
1245 state agency; (iii) amounts of federal reimbursements for state expenditures received through
1246 enhanced federal medical assistance percentage, reimbursements provided by the federal

1247 emergency management agency due to a national emergency declaration or other federal
1248 reimbursements related to the novel coronavirus; (iv) expenditures, for each federal program, by
1249 category of spending, purpose of expenditure, date of expenditure and recipient; (v) committed
1250 expenditures not yet made for each federal program, by category of spending, purpose of planned
1251 expenditure, date of planned expenditure and recipient; (vi) current balance of funds not yet
1252 expended and balance of funds not yet committed to be expended for each federal program; (vii)
1253 planned use of available funding not yet committed for expenditure for each federal program, by
1254 category of spending and purpose of expenditure.

1255 (c) To the maximum extent possible, the website shall be supported by federal relief
1256 funds received through sources identified in subsection (a).

1257 (d) The secretary of administration and finance shall implement this section not later than
1258 February 1, 2020

1259 SECTION 81. (a) Notwithstanding section 11 or section 12 of chapter 186 of the General
1260 Laws, chapter 239 of the General Laws or any other general or special law to the contrary, on
1261 and after the effective date of this act until the termination of the state of emergency concerning
1262 the outbreak of COVID-19 as declared by the governor on March 10, 2020, a notice to quit for
1263 nonpayment of rent given in writing by a landlord to a residential tenant pursuant to said section
1264 11 or said section 12 of said chapter 186 shall be accompanied by a form that shall include, but
1265 not be limited to: (i) an attestation as to whether the tenant provided a declaration form pursuant
1266 to the federal Centers for Disease Control and Prevention order entitled “Temporary Halt in
1267 Residential Evictions to Prevent the Further Spread of COVID-19”; (ii) an attestation as to
1268 whether the dwelling unit is a covered dwelling under section 4024(a)(1) of the federal
1269 Coronavirus Aid, Relief, and Economic Security Act, P.L. 116-136, and whether the notice to
1270 quit is in compliance with section 4024(c) of said act; (iii) documentation of any agreements
1271 between the tenant and landlord for the tenant to repay the landlord for non-payment of rent; and
1272 (iv) information on: (A) rental assistance programs including, but not limited to, the residential
1273 assistance for families in transition program and the emergency rental and mortgage assistance
1274 program; (B) applicable trial court rules, standing orders or emergency administrative orders
1275 pertaining to actions for summary process; and (C) any relevant federal or state legal restrictions
1276 on residential evictions. The form shall also prominently display the following statement:

1277 “THIS NOTICE TO QUIT IS NOT AN EVICTION. YOU DO NOT NEED TO
1278 IMMEDIATELY LEAVE YOUR UNIT. YOU ARE ENTITLED TO A LEGAL PROCEEDING
1279 IN WHICH YOU CAN DEFEND AGAINST THE EVICTION. ONLY A COURT ORDER
1280 CAN FORCE YOU TO LEAVE YOUR UNIT.”

1281 The executive office of housing and economic development shall develop the form
1282 required under this subsection and make it publicly available on its website not later than
1283 December 1, 2020. The information in clause (iv) shall be made available in the 5 most common
1284 languages in the commonwealth, in addition to English. On or after December 1, 2020, a court
1285 having jurisdiction over an action for summary process pursuant to said chapter 239, including
1286 the Boston municipal court department, shall not, in an eviction for nonpayment of rent for a
1287 residential dwelling unit, accept for filing a writ, summons or complaint without proof of
1288 delivery of the form required under this subsection.

1289 (b) Notwithstanding section 11 or section 12 of chapter 186 of the General Laws or any
1290 other general or special law to the contrary, from the passage of this act until the termination of
1291 the state of emergency concerning the outbreak of the novel coronavirus disease, also known as
1292 COVID-19, declared by the governor on March 10, 2020, a landlord shall send electronically a
1293 copy of any notice to quit for nonpayment of rent given in writing by the landlord to a residential
1294 tenant pursuant to said section 11 or said section 12 of said chapter 186 to the executive office of
1295 housing and economic development; provided, however, that personal identifying information in
1296 notices to quit received by the executive office of housing and economic development shall not
1297 be a public record as defined by clause twenty-sixth of section 7 of chapter 4 of the General
1298 Laws or chapter 66 of the General Laws. The executive office of housing and economic
1299 development shall keep any personal identifying information in a notice to quit confidential;
1300 provided, however, that the executive office of housing and economic development may share
1301 such information with the individuals named in the notice to quit, the landlord or, to the extent
1302 permitted under federal law, a regional administering agency or housing consumer education
1303 center for the purposes of providing housing stability resources to tenants at risk of eviction.

1304 (c) The executive office of housing and economic development shall issue emergency
1305 regulations as necessary to implement this section.

1306 SECTION 82. (a) As used in this section, the following words shall have the following
1307 meanings unless the context clearly requires otherwise:

1308 “COVID-19 emergency”, the state of emergency concerning the outbreak of COVID-19
1309 as declared by the governor on March 10, 2020.

1310 “Short-term emergency rental assistance”, temporary financial assistance provided to a
1311 residential tenant to prevent an eviction or homelessness under the residential assistance for
1312 families in transition program, the emergency rental and mortgage assistance program or any
1313 other program established or modified as a result of the COVID-19 emergency and administered
1314 by the department of housing and community development, a municipality or a nonprofit entity
1315 administering such program, using public funds, on behalf of the department, a municipality or a
1316 federal agency to cure rent arrearage or provide financial assistance for moving cost assistance,
1317 including the payment of a security deposit.

1318 (b) Notwithstanding chapter 239 of the General Laws or any other general or special law
1319 the contrary, during the COVID-19 emergency, a court having jurisdiction over an action for
1320 summary process under said chapter 239, including the Boston municipal court department, shall
1321 grant a continuance for a period as the court may deem just and reasonable if: (i) the tenancy is
1322 being terminated solely for non-payment of rent for a residential dwelling unit; (ii) the non-
1323 payment of rent was due to a financial hardship related to or exacerbated by the COVID-19
1324 emergency; and (iii) the defendant demonstrates a pending application for short-term emergency
1325 rental assistance; provided, however, that the court shall not enter a judgment or issue an
1326 execution before the application has been approved or denied. If the application for short-term
1327 emergency rental assistance is approved, the court shall further continue the case until the
1328 plaintiff receives payment of such short-term emergency rental assistance, at which time the
1329 court shall dismiss the plaintiff’s claims.

1330 (c) Notwithstanding any general or special law to the contrary, not later than the fifteenth
1331 day of each month during the COVID-19 emergency, the executive office of the trial court shall
1332 submit a report for the previous month to the clerks of the senate and house of representatives,
1333 the senate and house committees on ways and means, the joint committee on housing and the
1334 joint committee on the judiciary that shall include, but not be limited to: (i) the number of
1335 continuances granted due to pending applications for short-term emergency rental assistance

1336 pursuant to subsection (b); (ii) the number of continuances granted that resulted in the dismissal
1337 of the plaintiff's claims under said subsection (b); (iii) the average length of a continuance
1338 granted under said subsection (b); (iv) the number of stays requested, granted or denied pursuant
1339 to sections 9 and 10 of chapter 239 of the General Laws; and (v) any other relevant information
1340 as the trial court may decide.

1493 novel coronavirus, also known as COVID-19, for fiscal year 2021, for grants provided pursuant
1494 to said section 14 of said chapter 23A, the maximum amount received by a private nonprofit
1495 agency from the office of travel and tourism may be more than the amount received by
1496 nongovernmental sources.

1497 SECTION 93. Notwithstanding 430 CMR 22.06, 430 CMR 5.06 or any general or special
1498 law to the contrary, a nonprofit organization may request a payment deadline extension of not

1507 formula.

1508 SECTION 95. (a) Notwithstanding any general or special law to the contrary, if the
1509 committee for public counsel services determines that there is a limited availability of qualified
1510 private counsel appointed or assigned to care and protection cases in any county, the committee
1511 may, by a majority vote, declare an emergency in that county.

1512 (b) Upon the declaration of an emergency pursuant to subsection (a), the committee may
1513 authorize a temporary increase in the rate of compensation for private counsel appointed or
1514 assigned to care and protection cases in that county who, prior to the declaration of an

1515 emergency, have billed not less than 350 hours in the current fiscal year as private counsel
1516 appointed or assigned to care and protection cases or who have billed not less than 700 hours in
1517 the previous fiscal year as private counsel appointed or assigned to care and protection cases.
1518 The committee shall designate a certain minimum number of cases to be taken by each private
1519 appointed counsel who is designated as eligible to receive the emergency temporary rate of
1520 compensation. The temporary increase in the rate of compensation shall be for new case
1521 assignments made on or after the date of the declaration of an emergency pursuant to subsection
1522 (a). The temporary increase in the rate of compensation shall apply for the duration of those new
1523 case assignments. The temporary increase in the rate of compensation for private counsel
1524 appointed or assigned to care and protection cases approved by the committee shall not exceed
1525 \$75 per hour. If the committee determines that the increase in the rate of compensation has not
1526 resulted in a sufficient increase in the number of care and protection assignments being taken by
1527 private counsel, the committee may modify the eligibility criteria. The chief counsel shall notify
1528 the chairs of the house and senate committees on ways and means of any such modification.

1529 (c) Upon the declaration of an emergency pursuant to subsection (a), the chief counsel of

1533 billed in excess of 2,000 billable hours.

1534 (d) The committee may limit the availability of the rate of compensation authorized in

1537 located in particular counties.

1538 SECTION 96. Notwithstanding any general or special law to the contrary, the department
1539 of revenue shall analyze the administrative and revenue impacts of implementing either an
1540 elective or mandatory entity-level tax on noncorporate businesses, coupled with a refundable tax
1541 credit equal to the distributive share of the entity-level tax for each owner or member, for the
1542 purposes of allowing such noncorporate business owners or members to avoid the limitation on

1544 P.L. 115-97. The analysis shall include, but not be limited to: (i) a review of entity-level taxes on

1548 challenges related to the implementation of such entity-level tax and refundable tax credit; (iv)
1549 an estimate of the revenue impact, if any, of such entity-level tax and refundable tax credit; and

1603 programs, including the state home care program managed by the aging services access points;
1604 (vi) a comprehensive annual cost report and filing process; and (vii) any other matters pertaining
1605 to the licensure of home care agencies including, but not limited to, recommendations to inform
