SENATE No. 00168

By Mr. Pacheco, petition (accompanied by bill, Senate, No. 168) of Marc R. Pacheco and Patricia A. Haddad for legislation to establish and regulate resort-style entertainment in the Commonwealth [Joint Committee on Economic Development and Emerging Technologies].

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act establishing and regulating resort-style entertainment in the Commonwealth.

Whereas, the deferred operation of this act would tend to defeat its purpose, which is forthwith to provide for the immediate economic development and revenue needs of the commonwealth, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

□

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The general court finds and declares that:

2 (a) promoting the economic viability of the commonwealth is a fundamental purpose of
3 state government;

4 (b) growing the commonwealth's economy is the best way to make the investments in
5 those areas that will strengthen the commonwealth;

6 (c) the creation of resort-style entertainment complexes is an important part of an overall
7 strategy to ensure the state's economic growth;

8 (d) authorizing 3 resort-style entertainment complexes will result in thousands of
9 construction jobs and billions of dollars of construction-related spending in the commonwealth;

10 (e) once constructed, the 3 resort-style entertainment complexes will create thousands of
11 new jobs for residents of the commonwealth and offer a wide array of employment opportunities
12 for individuals with diverse educational backgrounds and skills, while enhancing the
13 commonwealth's workforce development system by creating career advancement opportunities
14 for casino employees;

15 (f) ensuring that the resort casinos are located in distinct markets of the state expands
16 economic development and job creation broadly throughout the whole commonwealth and
17 recognizes that the needs of regional economies must be addressed;

18 (g) revenue generated from resort casinos can be used to fund critical needs in the
19 commonwealth, and our cities and towns;

20 (h) such investment in infrastructure is an economic necessity and will facilitate
21 economic development and job creation;

22 (i) offsetting property tax burden, hitting middle and lower income homeowners the
23 hardest, and providing local services;

24 (j) retooling and modernizing the racing industry and workforce in the commonwealth is
25 critical to the success of the resort-style entertainment industry and to the state's economic
26 growth overall;

27 (k) addressing the social costs of gaming is an important and necessary part of any
28 comprehensive gaming plan and therefore this act provides for a high level of funding for these
29 costs and an evaluation mechanism to ensure we understand fully the impacts of gaming in the
30 commonwealth;

31 (l) a rigorous gaming regulatory and enforcement scheme is needed to ensure fairness and
32 integrity in the gaming industry, and therefore this act contains a detailed strategy to ensure
33 proper oversight and evaluation of resort casinos in our commonwealth;

34 (m) the success of gaming in this commonwealth requires public confidence and trust that
35 licensed gaming will be conducted honestly and competitively, that the resort-style entertainment
36 complexes licensed in the commonwealth will not unduly impact the quality of life enjoyed by
37 residents of the surrounding communities, and that gaming will be free from criminal and
38 corruptive elements;

39 (n) public confidence and trust can only be maintained by strict regulation of all persons,
40 locations, practices, associations and activities related to the operation of the resort casinos
41 licensed in the commonwealth;

42 (o) the resort-style entertainment complexes licensed in the commonwealth must
43 therefore be controlled to protect the public health, safety, and well being of the inhabitants of
44 the commonwealth, to foster the stability and success of gaming and to preserve the competitive
45 economy of the commonwealth;

46 (p) the Massachusetts gaming control authority is therefore created as the custodian of the
47 public trust relative to the gaming industry and is explicitly granted broad powers within this act

48 so it may have the full authority to oversee the gaming industry and ensure that resort casino
49 operations are transparent; and

50 (q) to delay or deny the commonwealth the opportunity to increase jobs, attain new
51 revenue, and address critical needs would be contrary to the best interests of our residents.

183 performance of an essential governmental function. The purpose of the authority is to provide for
184 the establishment of resort casinos, and to license, regulate, and oversee licensed casinos and
185 controlled gaming at licensed casinos in the commonwealth.

186 (b) The authority shall be governed and have its corporate powers exercised by a board of
187 directors consisting of the auditor or his designee, and 6 members to be appointed by the
188 governor, 1 of whom shall have experience in legal issues with respect to gaming establishments;

205 be necessary for any action to be taken by the board. Any action required or permitted to be
206 taken at a meeting of the board may be taken without a meeting if all of the members consent in
207 writing to such action and such written consents are filed with the records of the minutes of the
208 meetings of the board. Such consents shall be treated for all purposes as a vote at a meeting.

209 The members of the board shall serve without compensation, but each member shall be
210 entitled to reimbursement for his actual and necessary expenses incurred in the performance of
211 his official duties.

242 whom shall be a police chief; 2 of the members of the committee who shall be appointed by the
243 senate president; and 2 members who shall be appointed by the speaker of the house of
244 representatives. Each member of the advisory committee shall serve for a term of 3 years;
245 provided, however, that of the initial appointed members, 1 of the senate president's and
246 speaker's appointments, and 3 of the governor's appointments shall serve a term of 2 years. Any
247 person appointed to fill a vacancy in the office of a member of the advisory committee shall be
248 appointed in a like manner and shall serve for only the unexpired term of such member. Any
249 member shall be eligible for reappointment but no member shall serve more than 2 three-year
250 terms. The governor shall from time to time designate a member or members of the advisory
251 committee as its chairperson or co-chairperson as applicable. The members of the advisory
252 committee shall serve without compensation, but each member shall be entitled to
253 reimbursement for his actual and necessary expenses incurred in the performance of his official
254 duties.

255 (e) Board members, officers and members of the advisory committee who are not
256 compensated employees of the authority shall not be liable to the commonwealth, to the
257 authority, or to any other person as a result of their activities, whether ministerial or
258 discretionary, as such board members, officers, or advisory committee members except for

259 willful dishonesty or intentional violations of law. Neither members of the authority nor any
260 person executing bonds or policies of insurance shall be liable personally thereon or be subject to
261 any personal liability or accountability by reason of the issuance thereof. The board of directors
262 may purchase liability insurance for board members, officers and employees and may indemnify
263 these persons against claims of others.

264 (f) Any documentary materials or data whatsoever made or received by any member or
265 employee of the authority and consisting of, or to the extent that such materials or data consist
266 of, law enforcement or investigatory information, trade secrets or commercial or financial
267 information regarding the operation of any business conducted by an applicant for any form of
268 assistance which the authority is empowered to render or regarding the competitive position of
269 such applicant in a particular field of endeavor, shall not be deemed public records of the
270 authority and specifically shall not be subject to the provisions of section 10 of chapter 66.

271 (g) The Massachusetts gaming control authority board shall be the successor to the
272 Massachusetts gambling advisory board established by section 39 of chapter 60 of the acts of
273 1994.

781 including those who face barriers in finding employment, such as people with low incomes or
782 receiving public assistance, the long-term unemployed, veterans, individuals with disabilities,
783 and participants in federal and state workforce programs;

784 (viii) whether the applicant shall establish, fund, and maintain internal human resource
785 hiring and training practices that promote the development of a skilled and diverse workforce
786 with access to promotion opportunities by a workforce-training program designed to foster a
787 skilled and diverse workforce by:

788 (A) establishing transparent career paths with measurable criteria within the casinos that
789 lead to increased responsibility and higher pay grades that are designed to allow employees to
790 pursue career advancement and promotion;

791 (B) establishing employee access to additional resources, such as tuition reimbursement
792 or stipend policies, to enable employees to acquire the education or job training needed to
793 advance career ladders based on increased responsibility and pay grades;

794 (C) establishing an on-site child day care program;

795 (D) establishing a program to train the casino workforce in the identification of and
796 intervention with customers exhibiting problem gaming behavior;

808 contain appropriate provisions by which contractors and subcontractors or their assignees agree
809 to afford an equal employment opportunity to all prospective employees and to all actual
810 employees to be employed by the contractor or subcontractor in accordance with an affirmative
811 action program approved by the authority and consonant with the provisions of Massachusetts
812 and federal law; and

813 (xii) the extent to which the applicant shall mitigate public safety effects;

814 (xiii) the extent to which the applicant shall provide funding for the marketing of
815 Massachusetts as a tourist destination.

816 (5) In assessing the highest and best value to the commonwealth, the authority shall take
817 into account the commonwealth's policy determination that the commonwealth shall have no
818 more than 3 gaming establishments.

819 (6) It shall be the burden of the applicant to provide convincing evidence in its
820 application, to the satisfaction of the authority, that a resort casino shall provide the highest and
821 best value to the market in which it is located and to the commonwealth.

822 (7) As part of its determination for licensure, the authority shall investigate and consider
823 the positive and negative effects a casino facility will have to the host community and
824 communities impacted by the project, provided further, that factors to consider include, but are

825 not limited to, the regional and local economy, the number and location of resort casinos, job

828 emergency access, housing, public education influx, state and municipal creation or reduction
829 and other infrastructure related issues.

830 Section 6. Awarding of and Conditions of Licenses

831 (a) The authority may award casino licenses based on the applications and bids submitted
832 to the authority.

833 (b) Number of Casino Licenses. Notwithstanding any general or special laws to the
834 contrary, the authority shall award no more than 3 casino licenses in the commonwealth, with no
835 more than 1 license awarded per market; subject to the limitations set forth in Section 6(j)(2).

836 (c) Nothing in this chapter shall require the awarding of a license to a market. If the
837 authority is not convinced that an applicant has both met the eligibility criteria and provided
838 convincing evidence that the applicant shall provide the highest and best value to the market in
839 which the resort casino is located and to the commonwealth, no casino license may be awarded
840 in that market.

841 (d) For the purposes of determining which applicant may be awarded a license, each
842 applicant's bid shall be evaluated to determine which will provide the highest and best value to
843 the market and to the commonwealth based on the criteria set out in section 5, and any other
844 terms the authority determines by regulation.

845 (e) If there is more than 1 applicant in a market who is determined by the authority to be
846 eligible for a casino license pursuant to section 5, the authority shall determine which application
847 presents the highest and best value to the market and the commonwealth according to the criteria
848 set forth in section 5.

849 (f) If an applicant is awarded a casino license, the casino licensee shall pay the
850 commonwealth the following fees:

851 (1) a licensing fee in the amount of \$225,000,000;

852 (2) an annual operating licensing payment in the amount equal to 27 percent of all gross
853 gaming revenues. Following the initial issuance of a casino license, so long as the casino
854 license remains in good standing, and to enable the applicant to secure commercially reasonable
855 financing of the project, no casino licensee shall be required to make annual operating license
856 payments at a rate in excess of the amount set forth in the preceding sentence.

857 (g) Provided that a casino licensee has first entered a memorandum of understanding with
858 the Secretaries of Transportation and Environmental Affairs regarding the gaming establishment,
859 related public infrastructure improvements and environmental impacts, and except for any permit
860 or approval required by local zoning and a building permit and certificate of occupancy with
861 respect to matters directly regulated by the state building code, notwithstanding any general or
862 special laws to the contrary an applicant receiving a casino license shall not be required to apply
863 for, file for, obtain or maintain any permit, license or approval from, and shall not be required to
864 apply for, file for or undergo any impact or other review process with or by the commonwealth
865 or any political subdivision thereof or any agency, department, commission or authority of any of
866 the foregoing, for or directly or indirectly in connection with the permitting, financing,

867 construction, renovation, maintenance, use and occupation of a resort casino and related site
868 improvements and amenities on the approved site of the gaming establishment and related public
869 infrastructure improvements.

870 (h) No person or affiliate may be awarded more than 1 license and no person directly, or
871 indirectly through an affiliate, may have an interest in more than 1 license.

872 (i) Each license is renewable every 10 years, from the date of first issuance. The first 10-
873 year renewal shall be automatic and shall not require any gaming license fee or renewal fee. The
874 authority shall adopt regulations to establish standards and the process concerning the
875 renewability of licenses subsequent to the second 10-year term.

876 (j) Conditions of Casino Licensure.

877 (1) Every casino licensee shall have an affirmative obligation to abide by every statement
878 made in its application to the authority and every statement made in its bid submission to the
879 authority pursuant to subsection (c) of section 5.

880 (2) The authority shall make an assessment in each fiscal year against each licensee
881 operating a casino in the commonwealth. This assessment is in addition to the licensing fee and
882 the operating licensing payment paid by each licensee. This assessment shall be reasonable and
883 made at a rate as shall be reasonably determined and certified annually by the authority as
884 sufficient to produce revenue to reimburse the commonwealth for funds appropriated for the
885 operation of the authority and the division, including the dedicated state police units attached to
886 the division, and public safety costs, including amounts sufficient to cover the cost of fringe
887 benefits as established by the secretary of administration and finance under section 6B of chapter
888 29. This assessment shall be made proportionately against each licensee based on the

889 proportionate number of gaming devices and tables operated by that licensee. Each licensee
890 against whom an assessment is made shall pay over daily to the authority a pro rata share of the
891 assessment as determined by the authority. If the authority fails to expend in any fiscal year the
892 total amount assessed under this section, any amount unexpended shall be credited against the
893 assessment to be made in the following year and the assessment in such following year shall be
894 reduced by that unexpended amount.

895 (3) Each licensee shall pay the total amount of the licensing fee set forth in subsection
896 6(f)(1) in three equal annual installments, the first such installment to be paid within 60 days of
897 the grant of the resort casino license and receipt of all other licenses and permits reasonably
898 necessary (as determined by the authority) for the applicant to secure commercially reasonable
899 financing of the project, the second installment to be paid on or before the first anniversary of the
900 first payment, and the third installment to be paid on or before the second anniversary of the first
901 payment.

902 (4) Each licensee shall pay daily to the commissioner of the department of revenue as the
903 agent of the authority, the operating licensing payment, as provided in section 5.

904 (5) No licensee shall operate, invest or own, in whole or in part, another licensee's license
905 or casino. If a licensee is found in violation of this section, they will be fined up to \$5,000 per
906 day for violations.

907 (6) No licensee shall be permitted to transfer its casino license or any interest such
908 licensee may have in the gaming establishment or the real property upon which it is located, and
909 no substantial party in interest shall be permitted to transfer its interest in the licensee, whether
910 through a sale, option contract, or other agreement or contract providing for such transfer in the

911 present or future, without the notification of and approval by the authority. The authority shall
912 adopt rules and regulations for determination of the approval of any such transfer. In the event
913 that within the first five years following the issuance of a casino license to a licensee there is
914 either (i) a transfer by a licensee of its casino license or any interest such licensee may have in
915 the gaming establishment or the real property upon which it is located, or (ii) a transfer by a
916 substantial party in interest of a controlling interest in the licensee, the authority may require
917 either the transferor or transferee or both, as determined by the authority, to pay to the
918 commonwealth an amount representing the increased value attributable specifically to the casino
919 license; provided, that the authority shall consider as a factor in determining the amount of the
920 payment the difference in value of the licensee's property and the improvements thereon (which
921 shall be excluded from the value of the license) between the time when the licensee received the
922 license and the time of or anticipated time of the transfer through the average of 3 separate
923 assessments made by the licensee, the authority and an independent assessor chosen by the
924 authority, and the cost of that assessment shall be part of the payment of the transfer; provided
925 further, that the authority shall consider as a factor in determining the amount of the payment the
926 increased value of the property, land, establishment, management agent, entity or business value
927 as a result of possessing a gaming operator's license; provided further, that the authority shall
928 consider as a factor in determining the amount of the payment the prior capital investments made
929 by the licensee, the marketing and other business development expenses incurred by the licensee,
930 the financing costs incurred by the licensee prior to such transfer, and any additional economic
931 value created by the licensee. In no event shall a transfer of any rights to a bona fide commercial
932 financial institution pursuant to any commercially reasonable financing be deemed to be a
933 transfer; provided further, that the authority may reject such transfer if it deems the transferee to

934 be unsuitable. The authority shall adopt rules and regulations for the reasonable determination of
935 the payment which serves the best interest of the commonwealth as a result of the transfer;
936 provided that the authority may consider the actual increase or decrease in the pecuniary value of
937 the license, the real property, and the shares of interest among the time it was initially purchased,
938 the time of receiving a license and the time of the transfer; provided further, that any payments
939 collected by the authority on behalf of the Commonwealth are deposited in the same manner as
940 license fees are deposited with the commonwealth.

941 The authority may place any condition or restriction on the transfer of a license or interest
942 held by a substantial party in interest, and in all instances it shall consider whether additional
943 compensation is owed to the Commonwealth pursuant to the foregoing paragraph.

944 No casino licensee shall be permitted to change its form of business governing structure
945 on file with the secretary of state as of the date of its license application without the notification
946 and approval of the authority.

947 The authority shall monitor the conduct of all licensees and other persons having a material
948 involvement, directly or indirectly, with a licensee for the purpose of ensuring that licenses are
949 not issued to, or held by, and there is no direct or indirect material involvement with a licensee
950 by unqualified, disqualified, or unsuitable persons.

951 (7) Each licensee shall be required to have an office available to the authority. The
952 authority shall establish the minimum requirements for the office.

953 (8) Each licensee shall be required to have an office available for the division's state
954 police personnel. The authority shall establish the minimum requirements for square footage for
955 the state police office, office furnishings, and parking space.

956 (9) All licensees shall make readily available all documents, materials, equipment,
957 personnel and any other items that the attorney general may desire to conduct an investigation. A
958 licensee may withhold material that may be considered a trade secret or detrimental to the
959 licensee if it were made public and have it adjudicated before the authority as to its protected
960 status, and require non-disclosure agreements between the attorney general and the authority for
961 such material.

962 (10) The licensee shall cooperate with the division with respect to the investigation of any
963 criminal matter that is discovered on its property. The licensee shall, upon receipt of criminal or
964 civil process compelling testimony or production of documents in connection with any civil or
965 criminal investigation, immediately disclose such information to the authority. This section does
966 not prohibit private persons or public entities from seeking any remedy or damages against a
967 licensee.

968 (11) All licensees shall have a duty to inform the authority of any action which they
969 reasonably believe would constitute a violation of this chapter, and shall assist the authority and
970 any federal or state law enforcement agency in the investigation and prosecution of such
971 violation. No person who so informs the authority shall be discriminated against by an applicant
972 or licensee because of the supplying of such information.

973 (12) All licensees shall collect and annually report to the authority a statistical report on
974 the number of candidates hired and retained in employment in connection with the workforce
975 development plan and the affirmative action program respectively required by sections 5(b).
976 Failure to comply with this section shall cause a licensee to forfeit any state workforce training
977 funds or economic incentives.

978 (13) All licensees shall agree to make a good faith effort to identify and recruit candidates
979 from the local labor market area and other nearby labor market areas to ensure a diverse
980 workforce. Failure to comply with this section shall cause a licensee to forfeit any state
981 workforce training funds or economic incentives.

982 (14) Every casino licensee shall keep conspicuously posted on his premises a notice
983 containing the name and numbers of the council on compulsive gambling and a statement of its
984 availability to offer assistance. The authority may require the licensee to provide this information
985 in 1 or more languages.

986 Section 7. Storage of Documents and Non-Disclosure of Sensitive Documents and
987 Materials

988 The authority shall maintain a file of applications for licenses under this chapter, together
989 with a record of all action taken by the authority on those applications. Such applications shall be
990 open to public inspection; provided however, that the executive director shall prohibit access to
991 information that contains law enforcement or investigatory information, is a trade secret, or puts
992 the applicant for a license at an unfair disadvantage with other applicants; provided further, that
993 the executive director shall consult with the division on public records on the appropriate manner
994 of distributing or withholding of such information. The authority may maintain any other files
995 and records as it deems appropriate.

996 Section 8. Authority Operating Account

997 There shall be established upon the books of the commonwealth a separate fund to be
998 known as the Massachusetts gaming control authority trust fund to be expended, without prior
999 appropriation, by the Massachusetts gaming control authority. The fund shall consist of the

1000 application fees collected pursuant to section 5(a)(6), and all assessment payments collected
1001 from section 6. The executive director of the authority shall make necessary expenditures from
1002 this account for the shared administrative costs of the operations and programs of the authority.
1003 The executive director shall further direct that funds from the account shall be expended to
1004 provide services in an amount reasonably related to the functions of the authority and the
1005 comptroller may certify for payment amounts in anticipation of expected receipts; but no
1006 expenditure shall be made from the fund which shall cause the fund to be in deficit at the close of
1007 each fiscal year. The authority shall pay the attorney general the amount it requested under
1008 section 14(b) by July first of each year.
