Your state rep supports equality. Ask them to take it up a notch.

Next we need Speaker DeLeo's help

Please thank your state rep for supporting transgender equality and ask them to take the next step--to urge House Speaker DeLeo to move the Transgender Equal Rights Bill forward now!

Dear ACLU Supporter,

This afternoon, I'm testifying at the State House in support of transgender equality. [Can you back me up by sending an email to your state representative?](#)

The ACLU of Massachusetts makes a difference when our staff lobbies on behalf of civil rights and civil liberties. But legislators hear from professional advocates all the time. Hearing from you--their constituent--can amplify our impact in a major way.

Your state representative has co-sponsored the Transgender Equal Rights Bill--a great first step. [Please ask them to take it up a notch and urge Speaker DeLeo to call for a vote on the bill as soon as possible.](#)

Know where transgender people enjoy more rights than Massachusetts? In 15 other states, including Nevada, whose Republican governor signed non-discrimination protections into law just two weeks ago. **It's time for Massachusetts, the cradle of liberty, to catch up.**

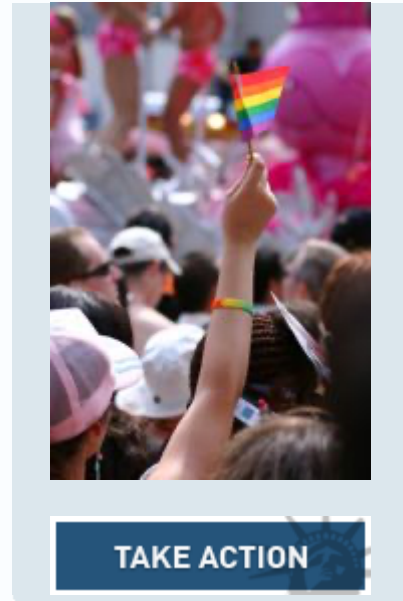

[Ask your state representative to push Speaker DeLeo to move the Transgender Equal Rights Bill forward now.](#)

Together, the ACLU and you will get the job done. Because freedom and equality can't protect themselves.

Thank you,

Gavi Wolfe
Legislative Counsel
