

House Ways and Means Log

4/10 -- called : left message for Toby with my extension and cell.

4/15 - called: spoke with Toby, who told me that House Ways & Means doesn't create anything for external use except bill summaries for major bills. Everything else that House Ways and Means creates is for internal use only. Therefore, he has nothing to give me.

House Steering, Policy and Scheduling Log

4/10 -- called : they only scheduled it and have no documents to give. Suggested that I download all the House and Senate Journals pertaining to the bill and that I get testimony from Committee on Children & Families and information on the Senate Ways and Means amendment from that committee.
