

HOUSE No. 4132

The Commonwealth of Massachusetts

PRESENTED BY:
Kevin G. Honan

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General

Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act preserving publically assisted affordable housing.

PETITION OF:

NAME:

Kevin G. Honan

DISTRICT/ADDRESS:

17th Suffolk

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

An Act preserving publically assisted affordable housing.

Whereas, The deferred operation of this act would tend to defeat its purposes, which includes creating additional opportunities to preserve the affordability of publicly assisted affordable housing, protecting tenants of these units from displacement due to the loss of the use restrictions, and addressing the overall lack of affordable housing to low-income residents in Massachusetts, especially those who are very low and extremely low income. Therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 2. (a) Except with respect to property subject to an affordability restriction which has less than 2 years remaining and, for which subsection (e) shall, apply, the owner shall provide written notice to: (i) all tenants and the tenant organization; (ii) the chief executive officer of the affected municipality; (iii) CEDAC; and (iv) the department, not less than 2 years before the termination of the affordability restriction affecting publicly-assisted housing. Nothing herein shall prohibit the owner from taking actions to terminate an affordability restriction during any notice period provided herein; provided, however, that the owner shall comply with all of the notice terms and restrictions pursuant to subsections (b) and (c). The informational notice shall provide: (1) the address of the publicly-assisted housing; (2) the name and address of the owner; (3) notification that an affordability restriction may terminate; (4) the date on which each affordability restriction may terminate; and (5) such other information as required by the department. Where more than 1 termination may occur, the owner may send 1 written notice so long as the terminations are scheduled to occur within 1 year of each other, the notice is given at least 24 months before the earliest termination and the notice otherwise complies with this subsection.

(b) An owner shall not complete a termination or allow a termination to occur unless, not less than 1 year before the completion of the last termination event affecting the housing, the owner provides the entities identified in subsection (a) with written notice of intent to complete

termination. The notice shall state: (1) the address of the publicly-assisted housing; (2) the name and address of the owner; (3) the date on which the owner intends to complete termination; (4) unless section 6 applies, a statement that the department has the right of offer pursuant to section 3; and (5) such other information as required by the department.

(c) An owner shall not sell publicly-assisted housing before offering the department the opportunity to purchase the property pursuant to sections 3 and 4. The owner shall notify, in writing, the parties identified in subsection (a) of the owner's intention to potentially sell the property.

(d) A notice required by this chapter shall be deemed given when delivered in person or mailed by certified or registered mail, return receipt requested, to the party to whom notice is required. A notice to the affected municipality shall be awarded to the chief executive officer.

(e) Notwithstanding subsection (a) of section 2 of chapter 40T of the General Laws, an owner of publicly assisted housing who, on the effective date of this act, has less than 2 years remaining prior to the date when the affordability restriction will cease to apply to such property, shall not be required to give the 2-year notice required by said subsection (a), but shall provide such notice within 90 days of the effective date of this act. Notwithstanding subsection (b), an owner who, on the effective date of this act has less than 1 year remaining prior to a termination shall not be required to give the 12-month notice required by subsection (b), but shall provide such notice within 90 days after the effective date of this act.

(f) The notice requirements of this section shall not be affected by the status of an offer, purchase contract or sale under section 3 or section 4.

Section 3. (a) An owner shall offer the department an opportunity to purchase the property prior to entering into an agreement to sell the property pursuant to the time periods contained in this section, but no owner shall be under any obligation to enter into an agreement to sell such property to the department.

(b) The department may select a designee to act on its behalf as purchaser of the publicly-assisted housing and shall give the owner and CEDAC written notice of its selection. The department shall promptly consult with the affected municipality before selecting a designee and shall immediately designate the affected municipality as its designee upon written request of the affected municipality, unless the department determines that such request is not feasible for reasons set forth in the department's regulations. The department shall enter into a written agreement with its selected designee providing that the designee and any of its successors or assigns, agree to preserve the affordability of the publicly assisted housing. Once such an agreement is executed, the designee shall assume all rights and responsibilities attributable to the department as a prospective purchaser under this section and section 4. At any time prior to a sale under section 3 or section 4, the department may revoke its designation and assume the designee's rights and responsibilities, either in its own capacity or by selecting a new designee; provided, however, that no change in a designation shall operate to extend or alter any time periods for performance set forth in this chapter or in any purchase contract entered into pursuant to this chapter.

(c) The department shall, within 90 days after it receives notice pursuant to section 2 of the owner's intention to sell, submit an offer to the owner to purchase the publicly-assisted housing. Failure by the department to submit a timely offer shall constitute an irrevocable waiver of the department's rights under this section and the owner may sell the publicly-assisted housing subject to section 4. If the owner accepts the department's initial or any revised offer, the owner and the department shall enter into such other agreements as are necessary and appropriate to complete the sale. If the owner and the department have not entered into an agreement to sell the property to the department within 90 days after receipt of the notice pursuant to subsection (c) of section 2, the owner may enter into an agreement to sell the property to a purchaser of the owner's choice, subject to the department's right of first refusal pursuant to section 4.

(d) At any time after the notice in section 2 has been provided and within 10 days of receiving a request, the owner shall make documents available to the department for review and

photocopying during normal business hours at the owner's principal place of business or at a commercial photocopying facility. Such documents shall include, but not limited to: (1) any existing architectural plans and specifications of the development; (2) itemized lists of monthly operating expenses and capital expenditures in each of the 2 preceding calendar years; (3) any capital needs studies or market studies that have been submitted to a federal, state, or local agency in the preceding 3 years; (4) utility consumption rates for the preceding 12 months; (5) copies of the last 2 annual financial and physical inspection reports filed with federal, state or local agencies; (6) the most recent rent roll showing then current vacancies and rent arrearages; (7) a list of vacant units; and (8) a statement of the approximate annualized vacancy rate at the development for each of the 2 preceding calendar years. Documents obtained pursuant to a request under this subsection shall not be considered public records, as defined in clause Twenty-sixth of section 7 of chapter 4, and the department shall not make such documents available to the public without the written consent of the owner or pursuant to a court order, provided, however, that disclosure may be made to potential funding sources, regulatory agencies or agents or consultants of the department in connection with the transaction, subject to appropriate confidentiality agreements. Upon request and with appropriate notice, [the](#) owner shall also permit reasonable inspections of the dwelling units, building systems, common areas, and common grounds by agents, consultants and representatives of the department including, but not limited to, inspections related to environmental, engineering, structural or zoning matters.

(e) Not later than 30 days after the department submits an offer to purchase the publicly-assisted housing development pursuant to subsection (c), the department shall notify tenants in the housing development and shall meet with them at least once to discuss the department's plans.

Section 4. (a) The department shall have a right of first refusal to purchase any publicly-assisted housing development under this section. At any time after the 90 days the department has been given notice pursuant to subsection (c) of section (2), but not later than the 360 days after the date of such notice, the owner may execute a purchase contract with a third party to sell the publicly-assisted housing development provided that the owner complies with this section. Thereafter, the owner again shall be subject to the notice provision of subsection (c) of section (2).

(b) Upon execution of a third party purchase contract, the owner shall, within 7 days, submit a copy of the contract to the department and CEDAC, along with a proposed purchase contract for execution by the department. The department shall, within 30 days after receipt of the third party purchase contract and the proposed purchase contract, execute the proposed purchase contract or such other agreement as is acceptable to the owner and the department. The time periods set forth in this subsection may be extended by agreement between the owner and the department. The proposed purchase contract shall contain the same terms and conditions as the executed third party purchase contract, except that the proposed purchase contract shall provide at least the following terms: (i) the earnest money deposit shall not exceed the lesser of: (1) the deposit in the third party purchase contract; (2) 2 per cent of the sales price; or (3) \$250,000; provided, however, that the earnest money deposit shall be held under commercially-reasonable terms by an escrow agent selected jointly by the owner and the department; (ii) the earnest money deposit shall be nonrefundable unless the owner fails to perform its obligations with due diligence for a period of not less than 90 days from the date of execution of the purchase contract or such greater period as provided for in the third party purchase contract; and (iii) the time for performance shall be not less than 240 days from the date of the execution of the purchase contract, or such greater period as provided for in the third party purchase contract.

(c) If the department fails to execute the proposed purchase contract within 30 days or such other period as provided in subsection (b), the owner shall have 24 months from the last day on which the department was entitled to execute the proposed purchase contract in which to complete the sale of the owner's publicly-assisted housing development to a third party, except as provided in subsection (e). Upon the expiration of the 24-month period, the owner shall be subject again to all of subsection (c) of section 2, section 3 and this section.

(d) If the department executes the proposed purchase contract as provided in subsection (b) but fails to perform as provided in the executed purchase contract, then the owner shall have 2 years from the date on which the proposed purchase contract terminated in which to complete the sale of the owner's publicly-assisted housing development to a third party on economic terms and conditions that are not materially more favorable to the proposed purchaser than the economic terms and conditions in the proposed purchase contract offered to the department. Upon the expiration of the 24-month period, the owner shall be subject to subsection (c) of section 2, section 3 and this section.

(e) The department may make a counter offer by executing and submitting to the owner an amended proposed purchase contract. The owner shall have 30 days from the date it receives the amended proposed purchase contract to execute the amended proposed purchase contract or reject, in writing, the counter offer. If the owner rejects the counter offer, it shall have 24 months from the date on which the owner rejects the department's counter offer to complete the sale of the owner's publicly-assisted housing development to a third party, provided, however, that if such sale is: (i) upon economic terms and conditions that are materially more favorable to the proposed purchaser than the economic terms and conditions in the proposed purchase contract offered to the department; or (ii) upon terms that are substantially the same as was offered by the department in the counter offer, then the owner shall provide a copy of the new third party purchase contract, along with a proposed purchase contract for execution by the department which shall contain the same terms and conditions as the executed third party purchase contract, and the department shall have 30 days from the date it receives the third party purchase contract and the proposed purchase contract to execute the proposed purchase contract or such other agreement as is acceptable to the owner and the department.

(f) The owner shall, not later than 7 days after the execution thereof, provide the department with a copy of any new or amended purchase contract executed with respect to the property during the 2 year period set forth in subsections (c) to (e), inclusive, and shall not later than 7 days after the recording or filing thereof, provide the department with a copy of any deed or other document transferring the owner's interest in the publicly-assisted housing development.

(g) Any submission to the department of a third party purchase contract, amended third party purchase contract, deed or other document transferring the owner's interest in the publicly-assisted housing development shall include a certification by the owner and, with respect to a document executed by the third party buyer, the third party buyer, that the document is accurate and complete and there are no other agreements between the owner and the third party buyer, or an affiliate of either of them, with respect to the sale of the publicly-assisted housing development.

Section 5. An affected municipality shall not be subject to section 16 of chapter 30B.

Section 6. (a) Section 3 and 4 shall not apply to any of the following: (i) a government taking by eminent domain or a negotiated purchase in lieu of eminent domain; (ii) a forced sale pursuant to a foreclosure; (iii) a deed-in-lieu-of foreclosure; (iv) a proposed sale that, as determined by the department, is to a purchaser pursuant to terms and conditions that preserve affordability; (v) a proposed sale of a publicly-assisted development which the department has determined has section 8 contracts for all of the units in the development and the buyer has agreed, in a regulatory agreement, to renew project-based section 8 assistance, or any successor program, for all units in the development provided that at the time of such renewal, such assistance is available to the owner on economic terms and conditions that are comparable to the existing assistance contract; (vi) a proposed sale of a publicly-assisted development to an affiliate of the owner that is not a termination as determined by the department; and (vii) a proposed sale pursuant to an agreement in effect on the effective date of this chapter.

(b) An owner seeking an exemption under clause (iv), (v) or (vi) of subsection (a) shall include the name and address of any tenant organization in the request and shall provide a copy of its request to the chief executive officer of the affected municipality, CEDAC, the local legal services organization as designated by the department and the tenant organization at the time it files

its exemption request with the department. The department shall provide a copy of its written determination under said clauses (iv), (v) or (vi) of said subsection (a) to the owner, CEDAC, the local legal services organization and the tenant organization.

Section 7. For 3 years after termination, the rent for a protected low-income tenant who does not receive an enhanced section 8 voucher shall not be increased more than once annually by the increase in the consumer price index applicable to the area in which the publicly-assisted housing development is located during the preceding 12 months plus 3 per cent. The foregoing shall not apply to a low-income tenant: (i) who is income eligible for an enhanced section 8 voucher but does not obtain one solely due to some action or inaction of the tenant on or after the date he or she is eligible to apply for the enhanced section 8 voucher; or (ii) who would be eligible for an enhanced section 8 voucher if this provision was not in effect. For a period of 3 years after termination, a protected low income tenant shall not be evicted or involuntarily displaced from his apartment except for good cause related to tenant fault.

Section 8. A purchase by the department or by its designee pursuant to this chapter shall be subject to a regulatory agreement. A regulatory agreement shall not contain any terms that would preclude an owner or buyer from participating in, or diminishing the benefits that an owner would otherwise receive by participating in, the United States Department of Housing and Urban Development's Mark up to Market Program.

Section 9. An owner who has complied with sections 2 and 3 which has not resulted in a purchase by the department or which has resulted in a sale pursuant to section 4 may apply to the department for a certificate of compliance by submitting a written request for the certificate in a form and with such documentation as required by the department to establish the owner's compliance to the satisfaction of the department. At the same time, the owner shall provide a copy of the request to CEDAC and the chief executive officer of the affected municipality. The owner shall provide a copy of the owner's request to a tenant of the publicly-assisted housing upon request. The department shall issue the certificate of compliance within 30 days after receipt of the application if it determines that the owner has complied with said sections 2 and 3. The certificate of compliance shall be filed with the registry of deeds within 1 year after the date of issuance.

SECTION 2. Within 45 days after the effective date of this act, the department of housing and community development shall establish a 13-member advisory committee to consist of the undersecretary of the department or her designee, the executive director of the Community Economic Development Assistance Corporation, 1 member selected by the Massachusetts Mayors Association, 1 member selected by the Massachusetts Municipal Association, 1 member selected by Citizens Housing and Planning Association, 1 member selected by the Greater Boston Real Estate Board, 1 member selected by the Real Estate Bar Association for Massachusetts, 1 member selected by the Massachusetts Association of Community Development Corp., 1 member selected by the Massachusetts Legal Assistance Corporation, 1 member affiliated with the Affordable Housing Preservation Initiative of the Local Initiatives Support Corporation, 1 member selected by the Massachusetts Chapter of the National Association of Housing and Redevelopment Officials, and 2 members chosen by the department to provide advice and recommendations to the department regarding regulations to implement this act. The department shall promulgate regulations to effectuate the purposes and implement chapter 40T of the General Laws not later than 150 days after the effective date of this act.

SECTION 3. For the purposes of sections 3 and 4 of chapter 40T of the General Laws, housing that qualified as publicly-assisted housing under any of the programs described in the definition of "publicly-assisted housing" in section 1 of said chapter 40T that was not then subject to a purchase contract in existence on the effective date of this act shall be subject to said chapter 40T for 4 years after the date of the last event or occurrence that constituted a termination.
