6 requires otherwise, have the following meanings:-

7 “Affected municipality”, a city or town in which publicly-assisted housing is located.

8 “Affiliate”, an entity owned or controlled by an owner or under common control with the
9 owner.

10 “Affordability restriction”, a limit on rents that an owner may charge for occupancy of a
11 rental unit in a publicly-assisted housing development or a limit on tenant income for persons or

18 set forth in this chapter.

19 “Designee”, a municipality, local or regional housing authority, nonprofit or for-profit

21 department to operate publicly-assisted housing that is decent, safe and sanitary affordable

23 “Enhanced section 8 vouchers”, vouchers provided under 42 U.S.C. 1437f (t) or other

29 set forth in the definition of publicly-assisted housing.

36 government-held mortgage loan indebtedness prior to its original maturity date; (b) the voluntary
37 cancellation of mortgage insurance on a publicly-assisted housing development; or (c) the
38 payment in full of a government contract, any of which would have the effect of removing either:
39 (i) the affordability restrictions applicable to publicly-assisted housing; or (ii) a requirement to
40 renew any such affordability restrictions.

41 “Preserve affordability”, with respect to publicly-assisted housing, to undertake
42 reasonable and diligent actions to retain, renew or secure subsidies affecting publicly-assisted

43 housing in order to maintain at least the same number of units affordable to low, very low and
44 extremely low-income households, respectively, as are currently occupied by such households,
45 and to maintain as affordable to such households generally all units that are currently vacant, to
46 the extent of available subsidies and taking into account the need to ensure that the publicly-
47 assisted housing provides quality housing to its tenants. To the extent that the department
48 determines that existing affordability does not provide quality housing to the tenants, the
49 department shall consider affordability to a range of incomes for such units not to exceed 80 per
50 cent of area median income as defined by United States Department of Housing and Urban
51 Development; provided, however, that no tenant shall be displaced pursuant to such
52 determination; and provided further, that units affordable to low, very low and extremely low-
53 income households that are not retained, renewed or secured at the publicly-assisted housing
54 shall be replaced with comparable deed-restricted publicly-assisted housing units at an
55 alternative site to the extent of available subsidies and to the extent feasible.

61 1937, 42 U.S.C. section 1437f, as it applies to new construction, substantial rehabilitation,
62 moderate rehabilitation, property disposition and loan management set-aside programs or any
63 other program providing project-based rental assistance; (ii) the federal Low-Income Housing
64 Tax Credit Program, 26 U.S.C. section 42; (iii) section 101 of the Housing and Urban

65 Development Act of 1965, 12 U.S.C. section 1701s, as it applies to programs for rent supplement

78 program applies to project-based rental assistance; (xiv) the Massachusetts low-income housing
79 tax credit program established in section 6I of chapter 62; (xv) the State Housing Assistance for
80 Rental Production, established pursuant to chapter 574 of the acts of 1983; or (xvi) chapter 121A

82 with the affected municipality.

84 publicly-assisted housing including, without limitation, a purchase and sale agreement, contract
85 of sale, purchase option or other similar instrument.

86 “Regulatory agreement”, an affordable housing restriction that establishes an owner's
87 obligations created pursuant to the efforts of the department or its designee to preserve
88 affordability and which is consistent with section 31 of chapter 184; provided, however, that in
89 any project that is eligible for participation in the United States Department of Housing and
90 Urban Development’s Mark Up to Market Program, the restriction, insofar as it relates to the
91 limiting of the level of rents, shall not apply to units covered by a section 8 housing assistance
92 payment contract so long as such contract is effective.

93 “Sale”, an act by which an owner conveys, transfers or disposes of property by deed or
94 otherwise, whether through a single transaction or a series of transactions, within a 2 year period;
95 provided, however, that a disposition of publicly-assisted housing by an owner to an affiliate of
96 such owner shall not constitute a sale.

97 “Subsidy”, public financial assistance including, but not limited to, grants, loans, rental
98 assistance, tax credits, tax abatements, mortgage financing, mortgage insurance, assistance
99 pursuant to any government program or any other form of assistance intended to make housing
100 affordable to low, very low and extremely low-income households.

102 assisted housing, including a subtenant, lessee and sublessee.

103 “Tenant organization”, an organization established by the tenants of publicly-assisted
104 housing for the purpose of addressing issues related to their living environment and which meets
105 regularly, operates democratically, is representative of all residents in the development, is
106 completely independent of owners, management and their representatives and which has filed a

107 notice of its existence with CEDAC; provided, however, that no owner or other third party shall
108 be required to ascertain the organization's compliance with this definition.

109 "Termination", the cessation, discharge or removal of an affordability restriction
110 affecting publicly-assisted housing in the absence of a simultaneous replacement of that
111 restriction with an equivalent affordability restriction including, but not limited to: (i)

113 in whole or in part, of an affordability restriction under a government program or the requirement
114 to renew the restriction; (iii) payment in full of a government program mortgage loan; or (iv)
115 prepayment of a government program mortgage loan.

119 median income, adjusted for household size, as periodically determined by the United States
120 Department of Housing and Urban Development.

121 Section 2. (a) Except with respect to property subject to an affordability restriction which
122 has less than 2 years remaining and, for which subsection (e) shall apply, the owner shall provide
123 written notice to: (i) all tenants and the tenant organization, if any; (ii) the chief executive officer
124 of the affected municipality; (iii) CEDAC; and (iv) the department, not less than 2 years before
125 the termination of the affordability restriction affecting publicly-assisted housing. Nothing
126 herein shall prohibit the owner from taking actions to terminate an affordability restriction during

127 any notice period provided herein; provided, however, that the owner shall comply with all of the
128 notice terms and restrictions pursuant to subsections (b) and (c).

129 The written notice shall provide: (1) the address of the publicly-assisted housing; (2) the
130 name and address of the owner; (3) notification that an affordability restriction may terminate;
131 (4) the date on which each affordability restriction may terminate; and (5) such other information
132 as required by the department. Where more than 1 termination may occur, the owner may send 1
133 written notice so long as the terminations are scheduled to occur within 1 year of each other, the
134 notice is given at least 2 years prior to the earliest termination and the notice otherwise complies
135 with this subsection. Thereafter, the owner shall again be subject to the notice provision of
136 subsection (c) of section 2.

137 (b) An owner shall not complete a termination or allow a termination to occur unless, not
138 less than 1 year before the completion of the last termination event affecting the housing, the
139 owner provides the entities identified in subsection (a) with written notice of intent to complete
140 termination. The notice shall state: (1) the address of the publicly-assisted housing; (2) the name
141 and address of the owner; (3) the date on which the owner intends to complete termination; (4)
142 unless section 6 applies, a statement that the department has the right of offer pursuant to section
143 3 to the extent the owner wishes to pursue a potential sale of the property; and (5) such other
144 information as required by the department.

145 (c) Except as provided in section 6, an owner shall not sell publicly-assisted housing
146 before offering the department the opportunity to purchase the property pursuant to sections 3
147 and 4. The owner shall notify, in writing, the parties identified in subsection (a) of the owner's
148 intention to sell the property.

149 (d) Any notice required by this chapter shall be deemed to have been provided when
150 delivered in person or mailed by certified or registered mail, return receipt requested, to the party
151 to whom notice is required; except that with respect to tenants, notice shall be deemed to have
152 been provided when either: (1) the notice is delivered in hand to the tenant or an adult member of
153 the tenant's household; or (2) the notice is sent by first class mail and a copy is left in or under
154 the door of the tenant's dwelling unit. A notice to the affected municipality shall be sent to the
155 chief executive officer.

156 (e) Notwithstanding subsection (a) of section 2, an owner of publicly-assisted housing
157 who, on the effective date of this act, has less than 2 years remaining prior to the date when the
158 affordability restriction will cease to apply to such property, shall not be required to give the 2-
159 year notice required by said subsection (a), but shall provide such notice within 90 days after the
160 effective date of this act. Notwithstanding subsection (b), an owner who, on the effective date of
161 this act has less than 1 year remaining prior to a termination shall not be required to give the 1-
162 year notice required by subsection (b), but shall provide such notice within 90 days after the
163 effective date of this chapter.

164 (f) The notice requirements of this section shall not be affected by the status of an offer,
165 purchase contract or sale under section 3 or section 4.

166 Section 3. (a) An owner shall offer the department an opportunity to purchase publicly-
167 assisted housing prior to entering into an agreement to sell such property pursuant to the time
168 periods contained in this section, but no owner shall be under any obligation to enter into an
169 agreement to sell such property to the department.

170 (b) The department may select a designee to act on its behalf as purchaser of the
171 publicly-assisted housing and shall give the owner and CEDAC written notice of its selection.
172 The department shall promptly consult with the affected municipality before selecting a designee
173 and shall immediately designate the affected municipality as its designee upon written request of
174 the affected municipality, unless the department determines that such request is not feasible for
175 reasons set forth in the department's regulations. The department shall enter into a written
176 agreement with its selected designee providing that the designee, and any of its successors or
177 assigns, agree to preserve the affordability of the publicly assisted housing. Once such an
178 agreement is executed, the designee shall assume all rights and responsibilities attributable to the
179 department as a prospective purchaser under this section and section 4. At any time prior to a
180 sale under this section or section 4, the department may revoke its designation and assume the
181 designee's rights and responsibilities, either in its own capacity or by selecting a new designee;
182 provided, however, that no change in a designation shall operate to extend or alter any time
183 periods for performance as set forth in this chapter or in any purchase contract entered into
184 pursuant to this chapter.

185 (c) The department may, within 90 days after it receives notice pursuant to subsection (c)
186 of section 2 of the owner's intention to sell, submit an offer to the owner to purchase the
187 publicly-assisted housing. Failure by the department to submit a timely offer shall constitute an
188 irrevocable waiver of the department's rights under this section and the owner may sell the
189 publicly-assisted housing subject to section 4. If the owner accepts the department's initial or
190 any revised offer, the owner and the department shall enter into such other agreements as are
191 necessary and appropriate to complete the sale. If the owner and the department have not
192 entered into an agreement to sell the property to the department within 90 days after receipt of

193 the notice pursuant to subsection (c) of section 2, the owner may enter into an agreement to sell
194 the property to a purchaser of the owner's choice, subject to section 4.

195 (d) At any time after the notice in section 2 has been provided and within 10 days of
196 receiving a request, the owner shall make documents available to the department for review and
197 photocopying during normal business hours at the owner's principal place of business or at a
198 commercial photocopying facility. Such documents shall include, but not be limited to: (1) any
199 existing architectural plans and specifications of the development; (2) itemized lists of monthly
200 operating expenses and capital expenditures in each of the 2 preceding calendar years; (3) any
201 capital needs studies or market studies that have been submitted to a federal, state or local
202 agency in the preceding 3 years; (4) utility consumption rates for the preceding year; (5) copies
203 of the last 2 audited annual financial statements and physical inspection reports filed with
204 federal, state or local agencies; (6) the most recent rent roll showing then current vacancies and
205 rent arrearages; and (7) a statement of the approximate annualized vacancy rate at the
206 development for each of the 2 preceding calendar years. Documents obtained pursuant to a
207 request under subsections (c) and (d) shall not be considered public records, as defined in clause
208 26 of section 7 of chapter 4, and the department shall not make such documents available to the
209 public without the written consent of the owner or pursuant to a court order; provided, however,
210 that disclosure may be made to potential funding sources, regulatory agencies or agents or
211 consultants of the department in connection with the transaction, subject to appropriate
212 confidentiality agreements. Upon request and with appropriate notice, the owner shall permit
213 reasonable inspections of the dwelling units, building systems, common areas and common
214 grounds by agents, consultants and representatives of the department or its designee including,
215 but not limited to, inspections related to environmental, engineering, structural or zoning matters;

216 provided, however, that the owner and agents, consultants or representatives of the department or
217 its designee shall execute an access and confidentiality agreement, in a form approved by the
218 department, with respect to such matters as insurance to be carried by the investigators,
219 indemnities of the owner, restrictions on invasive testing, restoration requirements, the timing of
220 such inspections and the requirement to keep all matters discovered confidential.

221 (e) Not later than 30 days after the department submits an offer to purchase the publicly-
222 assisted housing pursuant to subsection (c), the department shall notify tenants in the housing
223 development of its plans.

224 Section 4. (a) Upon the expiration of the 90 day offer period in subsection (c) of section
225 3, but not later than 2 years after the date notice was provided to the department pursuant to said
226 subsection (c) of said section 2, the owner may execute a purchase contract with a third party to
227 sell the publicly-assisted housing pursuant to this section. Thereafter, the owner shall again be
228 subject to the notice provision of said subsection (c) of said section (2).

229 (b) Upon execution of a third party purchase contract, the owner shall, within 7 days,
230 submit a copy of the contract to the department and CEDAC, along with a proposed purchase
231 contract for execution by the department. If the department elects to purchase the publicly-
232 assisted housing, the department shall, within 30 days after receipt of the third party purchase
233 contract and the proposed purchase contract, execute the proposed purchase contract or such
234 other agreement as is acceptable to the owner and the department. The time periods set forth in
235 this subsection may be extended by agreement between the owner and the department. The
236 proposed purchase contract shall contain the same terms and conditions as the executed third
237 party purchase contract, except that the proposed purchase contract shall provide at least the

238 following terms: (i) the earnest money deposit shall not exceed the lesser of: (1) the deposit in
239 the third party purchase contract; (2) 2 per cent of the sale price; or (3) \$250,000; provided,
240 however, that the owner and the department may agree to modify the terms of the earnest money
241 deposit; and provided further, that the earnest money deposit shall be held under commercially-
242 reasonable terms by an escrow agent selected jointly by the owner and the department; (ii) the
243 earnest money deposit shall be refundable for not less than 90 days from the date of execution of
244 the purchase contract or such greater period as provided for in the third party purchase contract;
245 provided, that if the owner unreasonably delays the buyer's ability to conduct due diligence
246 during the 90 day period, the earnest money deposit shall continue to be refundable for a period
247 greater than 90 days; and (iii) the time for performance shall be not less than 240 days from the
248 date of the execution of the purchase contract, or such greater period as provided for in the third
249 party purchase contract.

250 (c) If the department fails to execute the proposed purchase contract within 30 days or
251 such other period as provided in subsection (b), the owner shall have 2 years from the last day on
252 which the department was entitled to execute the proposed purchase contract in which to
253 complete a sale of the owner's publicly-assisted housing to a third party, except as provided in
254 subsection (e). Upon the expiration of the 2-year period, the owner shall be subject again to
255 subsection (c) of section 2, section 3 and this section.

256 (d) If the department executes the proposed purchase contract as provided in subsection
257 (b) but fails to perform as provided in the executed purchase contract, then the owner shall have
258 2 years from the date on which the executed purchase contract terminated in which to complete a
259 sale of the owner's publicly-assisted housing to a third party. Upon the expiration of the 2-year

260 period, the owner shall again be subject to all of subsection (c) of section 2, section 3 and this
261 section.

262 (e) After receipt of the third party purchase contract provided for in subsection (b), the
263 department may, within the 30-day time period prescribed in said subsection (b), make a
264 counteroffer by executing and submitting to the owner an amended proposed purchase contract.
265 Failure by the department to execute the purchase contract or submit a counteroffer within the
266 30-day period referenced in subsection (b) shall constitute a waiver of the department's right to
267 purchase under this section. If the department submits a counteroffer, the owner shall have 30
268 days from the date it receives the amended proposed purchase contract to execute the amended
269 proposed purchase contract or reject, in writing, the counteroffer. If the owner rejects the
270 counteroffer, the owner shall have 2 years from the date on which the owner rejects the
271 department's counteroffer to complete a sale of the publicly-assisted housing to a third party;
272 provided, however, that if such sale is upon economic terms and conditions that are the same as
273 or materially more favorable to the proposed purchaser than the economic terms and conditions
274 in the proposed purchase contract offered by the department in its counteroffer, the owner shall
275 provide a copy of the new third party purchase contract, along with a proposed purchase contract
276 for execution by the department which shall contain the same terms and conditions as the
277 executed third party purchase contract; provided; however, that the department shall have 30
278 days from the date it receives the third party purchase contract and the proposed purchase
279 contract to execute the proposed purchase contract or such other agreement as is acceptable to
280 the owner and the department.

281 (f) The owner shall, not later than 7 days after the execution of a purchase contract with
282 a third party, provide the department with a copy of any new or amended purchase contract
283 executed with respect to the property during the 2 year period set forth in subsections (c) to (e),
284 inclusive, and shall, not later than 7 days after the recording or filing of the deed or other
285 document with the registry of deeds or the registry district of the land court of the county in
286 which the affected real property is located, provide the department with a copy of any such deed
287 or other document transferring the owner's interest in the publicly-assisted housing.

288 (g) Any third party purchase contract, amended third party purchase contract, deed or
289 any other document transferring the owner's interest in publicly-assisted housing shall include a
290 certification by the owner that the document is accurate and complete and that there are no other
291 agreements between the owner and the third party buyer, or an affiliate of either, with respect to
292 the sale of the publicly-assisted housing.

293 Section 5. An affected municipality shall not be subject to section 16 of chapter 30B.

294 Section 6. (a) Sections 3 and 4 shall not apply to the following: (i) a government taking
295 by eminent domain or a negotiated purchase in lieu of eminent domain; (ii) a forced sale
296 pursuant to a foreclosure; (iii) a deed-in-lieu-of foreclosure; (iv) a proposed sale to a purchaser
297 pursuant to terms and conditions that preserve affordability, as determined by the department;
298 (v) a proposed sale of publicly-assisted housing that the department has determined, as of the
299 effective date of this chapter, was neither receiving government assistance nor was subject to
300 regulation by any of the programs listed in the definition of publicly-assisted housing other than
301 project-based section 8 and the buyer has agreed, in a regulatory agreement, to renew in whole,
302 all project-based section 8 assistance contracts, or any successor program thereto; provided;

303 however, that at the time of such renewal, such assistance is available to the owner on economic
304 terms and conditions that are comparable to the existing project-based rental assistance contract;
305 (vi) a proposed sale of publicly-assisted housing to an affiliate of the owner that is not a
306 termination as determined by the department; (vii) a proposed sale of publicly-assisted housing
307 which has more than 15 years from the date of the sale until the date of the publicly-assisted
308 housing's first scheduled termination; or (viii) a bona fide proposed sale pursuant to a purchase
309 contract in effect on the effective date of this chapter.

310 (b) An owner seeking an exemption under clause (iv), (v) or (vi) of subsection (a) shall
311 include the name and address of any tenant organization in the request and shall provide a copy
312 of its request to the chief executive officer of the affected municipality, CEDAC, the local legal
313 services organization as designated by the department and the tenant organization, if any, at the
314 time it files its exemption request with the department. The department shall provide a copy of
315 its written determination under said clause (iv), (v) or (vi) of said subsection (a) to the owner,
316 CEDAC, the local legal services organization and the tenant organization.

317 Section 7. For 3 years after termination, the rent for a protected low-income tenant who
318 does not receive an enhanced section 8 voucher shall not be increased more than once annually
319 by the increase in the consumer price index applicable to the area in which the publicly-assisted
320 housing is located during the preceding year, plus 3 per cent. The foregoing shall not apply to a
321 low-income tenant: (i) who is income-eligible for an enhanced section 8 voucher but does not
322 obtain one solely due to some action or inaction of the tenant on or after the date he is eligible to
323 apply for the enhanced section 8 voucher; or (ii) who would be eligible for an enhanced section 8
324 voucher if this provision was not in effect. For a period of 3 years after termination, a protected

325 low income tenant shall not be evicted or involuntarily displaced from his dwelling except for
326 good cause related to tenant fault.

327 Section 8. A purchase by the department or by its designee pursuant to this chapter shall
328 be subject to a regulatory agreement. A regulatory agreement shall not contain any terms that
329 would preclude an owner or buyer from participating in, or diminishing the benefits that an
330 owner would otherwise receive by participating in the United States Department of Housing and
331 Urban Development's Mark Up to Market Program.

332 Section 9. An owner who has complied with sections 2 to 4, inclusive, which has not
333 resulted in a purchase by the department or which has resulted in a sale pursuant to section 4,
334 may apply to the department for a certificate of compliance by submitting a written request for
335 the certificate in a form and with such documentation as required by the department to establish
336 the owner's compliance to the satisfaction of the department. Upon submission of the written
337 request, the owner shall provide a copy of the request to CEDAC and the chief executive officer
338 of the affected municipality. Upon request by a tenant of the affected publicly-assisted housing,
339 the owner shall provide a copy of the owner's request for a certificate of compliance. The
340 department shall issue the certificate of compliance within 30 days after receipt of the application
341 if it determines that the owner has complied with said sections 2 to 4, inclusive. The certificate
342 of compliance shall be filed with the registry of deeds or the registry district of the land court of
343 the county in which the real property is located within 1 year after the date of issuance.

344 SECTION 2. Within 45 days after the effective date of this act, the department of
345 housing and community development shall establish a 13-member advisory committee to
346 provide advice and recommendations to the department regarding regulations to implement this

347 act. The advisory committee shall consist of the following members: the undersecretary of the
348 department of housing and community development or his designee; the executive director of the
349 Community Economic Development Assistance Corporation; 1 member selected by the
350 Massachusetts Mayors Association; 1 member selected by the Massachusetts Municipal
351 Association; 1 member selected by Citizens Housing and Planning Association; 1 member
352 selected by the Greater Boston Real Estate Board; 1 member selected by the Real Estate Bar
