Prayer was offered by the Reverend Robert F. Quinn, C.S.P., Chaplain of the House, as follows:

Prayer. Eternal God in Whom we place our trust and hope, we begin today's formal legislative session by remembering in prayer You and Your presence in our midst and in our lives. We depend upon Your assistance and Your gift of knowledge, as elected leaders, in our struggle to recognize and to do what is right, honorable and appropriate in these changing times. Teach us, as we craft legislation, to learn from the successful programs as well as the failures of our predecessors in meeting today's challenges. May we be fully aware of the expectations and concerns of constituents. In these times of limited resources and unlimited needs, may we work together to make our communities safe, prosperous, civil and ethical. Let our hearts and minds be filled with enthusiasm, joy, peace and courage to meet our responsibilities. May the spirit and vision of the founders of this nation be with us today.

Grant Your blessings to the Speaker, the members and employees of this House and their families. Amen.

The report (in part) of the committee of conference on the disagreeing votes of the two branches, with reference to the Senate amendment of the House Bill making appropriations for the fiscal year 2011 for the General Appropriation Bill.

General Appropriation Bill.

Point of order.

maintenance of the departments, boards, commission, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (House, No. 4800) was discharged from its position in the Orders of the Day and considered forthwith, under suspension of Rule 47, on motion of Mr. Murphy of Burlington.

Pending the question on acceptance of the report, further consideration thereof was postponed, on further motion of the same member, until the hour of one o'clock P.M.

Subsequently, the certain recesses having terminated, the report was further considered.

Pending the question on acceptance of the report, Mr. Jones of North Reading raised a point of order that the report of the committee of conference was improperly before the House for the reason that under Joint Rule 11A, the committee has exceeded its authority by including matters not in disagreement and matters that were not referred to the committee.

Joint Rule 11A specifically states that "Matters on which there exists no disagreement between the branches shall not be disturbed by the committee on conference." Furthermore, this long established rule has been recognized by Speakers presiding over this House going back at least as far as 1900. Here, the report contains matters that were not in disagreement and the committee on conference has clearly disturbed these matters. There are numerous matters that were not in conference that were disturbed by the addition of a fund split.

Joint Rule 11A also states that the report shall be comprised of the "committee's recommendations with respect to the matters so referred". Committees on conference must confine their report to the matters referred to them. Here, the committee on conference inserted a number of matters, through outside sections, that were not only not in disagreement, but that did not originally appear in any form in either the House Engrossed or Senate Engrossed Budgets.". The applicable outside sections are sections 187, 190, 191, 192 and 197.

In answer to the point of order, the Chair (Mr. Petrolati) stated that because anticipated funds from the enhanced federal medical assistance percentage pursuant to an extension of the American Recovery and Reinvestment Act of 2009 are not available at this time to completely fund items within the budget that may, or may not, have been agreed to by both branches, it appears that the committee of conference, not being allowed to report appropriations lower than those approved by vote of each Chamber, had no alternative except the creation of such a fund in anticipation of those revenues being made available at a later time.

The Chair stated further that, additionally, since a precedent had been established in a ruling of the House from June 9, 1980, when, in answer to a point of order that certain language contained in the General Appropriation Bill for fiscal year 1981 was not a proper subject for the committee of conference, and that the inclusion of such language was in violation of rule, a Speaker of the House had ruled that the committee of conference had been given the task of solving certain problems concerning subjects contained within the bill, and was granted broad latitude in reaching an agreement satisfactory to both branches.

Consistent with the precedent established by the ruling of June 9, 1980, the Chair therefore ruled that the point of order was not well taken.

Mr. Jones thereupon appealed from the decision of the Chair; and the appeal was seconded by Mr. Peterson of Grafton.

The question was then put "Shall the decision of the Chair stand as the judgment of the House?"

After debate on the question: "Shall the decision of the Chair stand as the judgment of the House?", the sense of the House was taken by yeas and nays, at the request of Mr. Peterson of Grafton; and on the roll call 131 members voted in the affirmative and 18 in the negative.

[See Yea and Nay No. 423 in Supplement.]

Therefore the decision of the Chair was sustained.

After debate on question on acceptance of the report, the sense of the House was taken by yeas and nays, at the request of Mr. Murphy of Burlington and on the roll call 121 members voted in the affirmative and 28 in the negative.

[See Yea and Nay No. 424 in Supplement.]

Therefore the report of the committee of conference was accepted. Sent to the Senate for concurrence.

Suspension of Rule 1A.

Mrs. Haddad of Somerset then took the Chair and placed before the House the question on suspension of Rule 1A in order that the House might continue to meet beyond the hour of nine o'clock P.M.; and, there being no objection, Rule 1A was suspended.

Recess.

At eight minutes before eight o'clock P.M., the Chair (Mrs. Haddad) declared a recess subject to the call of the Chair; and at twenty-four minutes after nine o'clock the House was called to order with Mr. Murphy of Burlington in the Chair.

Emergency Measure.

The engrossed Bill making appropriations for the fiscal year 2011 for the maintenance of the departments, boards, commission, institutions and certain activities of the Commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements (see House, No. 4800), having been certified by the Clerk to be rightly and truly prepared for final passage, was considered, the question being on adopting the emergency preamble.

A separate vote was taken, as required by the provisions of Article XLVIII (as amended by Article LXVII) of the Amendments to the Constitution; and the preamble was adopted, by a vote of 2 to 0. Sent to the Senate for concurrence.

Subsequently, the Senate having concurred in adoption of the emergency preamble, the bill (which originated in the House) was passed to be enacted; and it was signed by the acting Speaker and sent to the Senate.

Appeal from decision of Chair.

Decision of Chair sustained,—yea and nay No. 423.

Conference committee report accepted,—yea and nay No. 424.

Rule 1A suspended.

Recess.

General Appropriation Bill.

Bill enacted.
