Subject: Senate Bill No. 75

Hi Mr. Glick,

I am a student at Boston University School of Law and am in the Legislative Counseling Clinic which you spoke to earlier this semester.

We are currently working on a legislative history project. The Bill that I am gather history for is Senate Bill No. 75 - An Act Further Regulating the Placement of Certain Children. I understand that you were instrumental in pursuing the passage of this bill. As a part of the project, I am working to gather as much information as possible regarding the passage of Senate Bill No. 75 from 2007. I have already searched on the Massachusetts General Court's website, Statehouse news Services and Westlaw and have been in contact with both the House and Senate Committees on Children, Families and Persons with Disabilities.

Since your agency was so involved in the passage, I was hoping that you might have some information as well. I am looking for information such as written testimonies, bill summaries, and reports. While we are gathering the information this semester, it will be a part of an on-going project for the clinic in an attempt to make legislative histories more readily available.

Any assistance that you could provide would be greatly appreciated.

Thank you for your time,
Michelle Kick
