In the name of God, the Beneficent, the Merciful.

On this day, the 20th day of January equivalent to the 2nd day of Rabi'ul Awwal, 1433 (A.H./CE 2015), my wife gave birth to our first daughter whom I named Maimunata. Both mother and daughter are in good health.

Praise be to Allah! May Allah grant her a long life following the traditions of Prophet Muhammad.
