## PUBLIC HEALTH TRAINING CENTER NETWORK (PHTCN)

We are a consortium of regional Public Health Training Centers that collectively represent the nation's most comprehensive resource for public health workforce development.

Yale School of Public Health, Office of Public Health Practice, an NEPHTC partner, is a designated provider of continuing education contact hours (CECH).

## SUPPORT YOUR WORKFORCE DEVELOPMENT

Most training and services are free of charge.

If your organization would like to host training in any modality for your employees or membership, contact us. For more information, visit our partner resources page:
