Section 3. Assessment of Internship Products and Competency Attainment

Student: Paste below the competencies, internship objectives, and internship products for your internship (see question 8 table in your MPH Internship Learning Agreement).

Preceptor: Using the criteria below as a guide, please rate the student intern's work with relation to the selected competencies and learning objectives.

Exceeds Expectations: Quality of work is exemplary. Product demonstrates significant attainment of competency. It is comprehensive, logical, evidence-based/evidence-informed, and will help advance the organization. Product is highly professional and is free of errors. All deadlines were met, and the work exceeded expectations.

Meets Expectations: Quality of work is good. Product demonstrates sufficient attainment of competency. It is focused, clear, and evidence-based/evidence-informed. Product is useful to the organization but may require some additional revisions. Very few errors are present. All deadlines were met.

Does Not Meet Expectations: Quality of work is poor. No evidence that competency has been met. Product is incomplete, unfocused, and not evidence-based/evidence-informed. Product has multiple errors. Deadlines were not met.
