

## **CAP Event: Student Feedback Surveys**

### **Brief Description**

**Student Feedback Surveys:** The Teacher Candidate administers student feedback surveys, using the model student feedback surveys. Next, the Teacher Candidate must compile the feedback data into an organized table or chart that facilitates reflection upon the collected data. Finally, the Teacher candidate should engage in 2-4 paragraphs of written reflection upon strengths and growth areas evident in the collected and compiled data. The table/chart and written reflection will be submitted with the TC's CAP paperwork.
