

FIND YOUR PATH.

What will you do with a graduate degree from MIT?

Imagine the possibilities. What ambitions drive you? Creating a new company from scratch? Revitalizing a struggling organization? Solving a pressing social problem? In short, what's your plan to change the world? Here, we're ready to see you do just that—and more.

MIT Sloan offers three degrees for graduating college seniors:

MBA Early Admission

Apply now, and then work for two to five years before beginning your MBA program.
Application Deadline: April 6, 2020

Master of Business Analytics

Apply data science and machine learning to solve real-world business problems.
Application Deadline: January 8, 2020

Master of Finance

Prepare for a premier finance career through hands-on experience and academic rigor.
Application Deadline: January 6, 2020

Boston University, Tuesday, November 5, 5:00-6:00pm
Yawkey Center, CCD Sixth Floor

WE WILL BE ON YOUR CAMPUS SOON:
