

Managing Registration Error Messages in MyBU Student

- Schedule Builder – Units Exceeded
 - You are trying to build a schedule with too many units per semester.
 - You can still preview a schedule with more units but cannot enroll in more than the approved unit level. Either click Continue or go back and reduce the number of units in your search.

The screenshot shows a modal window titled "Issues with the classes" with a close button (X) in the top right corner. The text inside the modal reads: "Issues have been found with the following courses which may affect your ability to enroll. Select the Continue button to proceed with building schedules or select the Cancel button to revise your search criteria." Below this text is a list of courses. The first course listed is "METAD 605" with a red checkmark icon to its right. A light blue box highlights the error message for METAD 605: "Term unit maximum would be exceeded. The system checks your selected shopping cart entries and your enrolled classes against your term unit limit. This class would exceed this limit."

- Schedule Builder – Enrollment Not Allowed
 - You are trying to build a schedule with classes outside your career – for example, building a schedule with graduate classes as an undergraduate student.
 - You can still preview a schedule with these classes but cannot enroll. Either click Continue or go back and remove those classes from your schedule.

Issues with the classes

Issues have been found with the following courses which may affect your ability to enroll. Select the Continue button to proceed with building schedules or select the Cancel button to revise your search criteria.

CFAAR 600 

Enrollment is not allowed for this class: It is outside the Career of Study. The Add transaction was not processed. Enrollment in this class is not allowed for this academic career.

- Schedule Builder – Multiple Validation Issues
 - You are trying to build a schedule with multiple errors – exceeded the allowed unit level and classes outside your career of study.
 - You may preview a schedule with these classes but cannot enroll. Either click continue or adjust the number of units or classes in your schedule before continuing.

Issues with the classes

Issues have been found with the following courses which may affect your ability to enroll. Select the Continue button to proceed with building schedules or select the Cancel button to revise your search criteria.

COMCM 707 

Enrollment is not allowed for this class: It is outside the Career of Study. The Add transaction was not processed. Enrollment in this class is not allowed for this academic career.

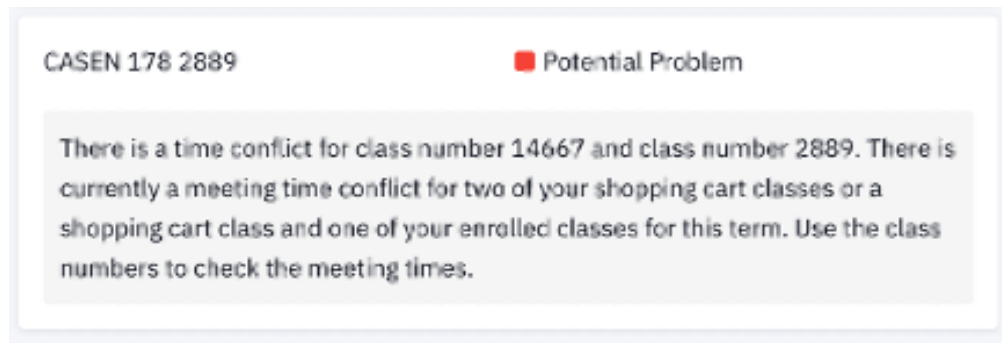

METAD 632 

Term unit maximum would be exceeded. The system checks your selected shopping cart entries and your enrolled classes against your term unit limit. This class would exceed this limit.

CancelContinue

- Schedule Builder – Time Conflicts

- You are trying to build a schedule with classes that are scheduled at the same time.
 - You can click Continue to view the conflicting classes on the calendar before deciding which class you prefer or you can go back and remove one class from the group before proceeding to the Schedule Builder.

- Schedule Builder – More Than 10 Options

- Classes put into Schedule Builder produce more than 10 options to compare. Schedule Builder will only show the first 10 options.
 - You can reduce the number of sections to consider on the previous screen.

- Shopping Cart – Failed Validation

- You are trying to enroll in classes requiring department consent. These classes could require a permission code from your advisor, or they have seats reserved for students from that major.
- Your school/college will communicate with you if you need permission from your advisor to register for classes.

- Holds

- You are trying to build a schedule or enroll in a class with a Hold on your account
 - Navigate to the Holds page to review the holds on your account. You must resolve the Hold with the respective department. Refer to the [Compliance FAQs](#) help article for more information.

The screenshot shows the MyBU Student interface. On the left is a navigation menu with options like Dashboard, Class Information, Schedule, Enrollment, Shopping Cart, Edit Enrollment, Drop Classes, View Wait List, Enrollment Dates, Swap Classes, Fall 2024 Schedule Builder (selected), and Spring/Summer 2024 Classes. The main area is the 'Schedule Builder' for 'Fall 2024', showing a list of selected courses: CASN 122 and CASN 178. A modal dialog titled 'Issues with the classes' is open, listing the following issues:

- CASN 122** (checked): Hold on record. There is currently a hold that will prevent enrollment from being processed. The hold must be resolved before enrolling.
- CASN 178** (checked): Hold on record. There is currently a hold that will prevent enrollment from being processed. The hold must be resolved before enrolling.

The dialog has 'Cancel' and 'Continue' buttons. At the bottom of the schedule builder, it shows 'Total: 8 units' and buttons for 'Delete Selected', 'Save', and 'Build Schedule'.
