

**Spotlight on Consortiums for HIV/AIDS and Alcohol Research Translation (CHAART):
Research Society on Alcoholism (RSA) 40th Annual Scientific Meeting
June 24 – 28, 2017 • Denver, CO • Hyatt Regency Denver Convention Center**

Sunday, June 25

4:50 - 6:50 PM - Poster Session I - Capitol Ballroom

- Poster # 193 - Alcohol consumption not associated with changes in bone mineral density in people living with HIV infection (PLWH): a prospective cohort study - Saitz R, Ventura AS, Winter MR, Heeren TC, Sullivan M, Walley AY, Patts GJ, Meli SM, Holick MF, Kim TW, Samet JH
- Poster # 196 - Comparison of phosphatidylethanol to continuous transdermal monitoring among alcohol-consuming persons with atrial fibrillation - Hahn JA, Fatch R, Barnett N, Fan S, Lee E, Marcus GM
- Poster # 204 - Agreement between a web-based AUDIT-C and 30 day timeline followback in HIV-positive and uninfected patients - McGinnis K, Tate J, Fiellin D, Bryant K, Edelman EJ, Kidwai-Khan F, Justice AC
- Poster # 225 - Resistance to peer influence protects against perceived (but not actual) heavy drinking norms within a college student social network - DiGiuseppi GT, Meisel MK, Balestrieri SG, Clark MA, Barnett NP

Monday, June 26

1:20 - 2:50 PM - Symposia Session V (CHAART Symposium) - Centennial FGH

- “Use of biomarkers to advance alcohol and HIV research” - Samet JH, Bryant K
 - Longitudinal association between alcohol use and inflammatory biomarkers - So-Armah K
 - Alcohol and mortality in HIV: combining alcohol self-report and biomarker detected alcohol measures among HIV infected and uninfected - Eyawo O
 - Weak agreement between PEth and self-reported drinking among women - Cook R
 - Alcohol and changes in bone formation and resorption among people with HIV and substance dependence - Kim T

4:50 - 6:50 PM - Poster Session II - Capitol Ballroom

- Poster # 177 - The impact of injectable naltrexone on antiretroviral therapy adherence, HIV viral load and drinking in HIV-positive heavy drinkers - Edelman EJ, Moore B, Holt S, Hansen N, Fiellin D, Fiellin L
- Poster # 179 - Association between gabapentin receipt and AUDIT-C scores among clinical populations with and without HIV, HCV, and unhealthy alcohol use - Rentsch C, Tate JP, Bryant KJ, Justice AC, Fiellin D
- Poster #204 - Association between changes in alcohol use and changes in a marker of HIV severity: a national longitudinal study in the veterans aging cohort - Williams EC, McGinnis KA, Bobb JF, Rubinsky AD, Lapham GT, Skanderson M, Catz S, Bensley KM, Richards J, Bryant K, Edelman EJ, Satre D, Marshall B, Kraemer K, Blosnich J, Justice AC, Fiellin D, Bradley KA
- Poster # 277 - Biomarkers of microbial translocation and immune activation predict cognitive processing speed in heavy-drinking men living with HIV - Monnig MA, Kahler CK, Cioe PA, Monti PM, Mayer KH, Pantalone D, Cohen R, Ramratnam B

Tuesday, June 27

9:15 - 10:45 AM - Symposia Session V - Centennial E

- “Novel digital technologies for enhancing the delivery of evidence-based alcohol use disorder treatment in community-based settings” - Hallgren KA
 - **9:20 - 9:38 AM** - User-centered design strategies for building usable and engaging behavioral health technologies - Wray TB

1:20 - 2:50 PM - Workshop - Centennial FGH

- “Everything you ever wanted to know about alcohol treatment but were afraid to ask: a primer for non-clinicians” - Koob G
 - **1:25 - 1:37 PM** - How do you know someone needs treatment and decide what’s next? - Saitz R

4:50 - 6:50 PM - Poster Session III - Capitol Ballroom

- Poster # 180 - Using phosphatidylethanol (PEth) to validate unhealthy alcohol use among non-treatment seeking HIV-positive patients entering clinical trials - Edelman EJ, Deng Y, Dziura J, Bryant K, Justice AC, Fiellin D
- Poster # 199 - Perceived Closeness to Important Peers Moderates the Relationship Between Anxiety and Alcohol Use Among College Students - DiGuseppi GT, Balestrieri SG, Kenney SM, Meisel MK, Clark MA, & Barnett NP
- Poster # 280 - Mechanisms of behavior change in a brief multi-target motivational intervention: reduction in alcohol use mediates intervention effects on risky sex - Celio MA, Mastroleo NR, Barnett NP, Colby SM, Kahler CW, Operario D, Monti PM
- Poster # 305 - Early life violence, victimization, and age of alcohol use initiation in a community sample of high-risk transgender women - Suttan Coats CL, Gamarel KE, Nemoto T, Operario D
- Poster # 306 - Barriers to treatment utilization among sexual minority men and women with lifetime alcohol use disorders: findings from a nationally representative sample - Gamarel KE, Operario D, Bryant K
- Poster # 307 - HIV-related thought avoidance, sexual risk, and alcohol use among men who have sex with men - Batson A, Wray TB, Celio MA, Monti PM
- Poster # 308 - Alcohol use norms among heavy-drinking men who have sex with men - Simpanen EM, Wray TB, Celio MA, Batson A, Monti PM
- Poster # 309 - Heavy drinking among HIV-infected women and men in the United States, Russia, and Uganda - Gnatienco N, Sullivan MM, Drainoni M, Heeren T, Muyindike W, Blokhina E, Ventura A, Fatch R, Forman L, Bridden C, Tsui JI, Bryant K, Hahn J, Bazzi AR

Wednesday, June 28

12:45 - 2:15 PM - Symposia Session XI - Centennial FGH

- “Women, girls and alcohol: current research on screening and brief intervention” - Roach D, Weisner C
 - **1:44 - 2:02 PM** - A two session BI reduces drinking frequency in women living with HIV - Chander G
