

Are you a young adult with a developmental or intellectual disability?

Do you have a mental health condition?

We want to learn from you!

We are having a **focus group** with young adults with intellectual and developmental disabilities and mental health conditions.

- What activities are important to you?
- What are your goals?
- What do you want your treatment to be like?

Your opinion is important!

What will happen during the focus group?

- The focus group is 1.5 hours long
- You will talk with other young adults with disabilities and mental health conditions.
- You will talk about your goals and about what you want in your treatment.
- Everything you say is private.
- \$15 “thank you” gift card.
